

## Candy Heist

It was a summer day and Arianna invited her friend Landy for a play date. They played for 15 minutes. After playing Arianna said to go get some candy. So, they went to the candy shop. When they were at the candy shop Arianna said, "What they stole all the candy!"

"Omg what happened!" asked Landy to the officer.

"We don't know yet," answered the police.

"I was just talking to a customer and then all the shelves were completely white!"

“Can we help?” asked Arianna.

“Ok but be careful,” said the police.

“Yahoo!” yelled Landy and Arianna.

After 2 days Arianna called Landy so she can come to her house.

“Landy come over I found something! About the robber!” said Arianna.

“I am coming right now,” said Landy.

“What did you find?” asked Landy.

“I found a picture of the robber!” said Arianna.

“You see there are two not one,”  
said Arianna.

“OMG! We’ve got to tell the police!”  
said Landy excitedly.

“This is going to be very hard to find  
them,” said Arianna.

“No its not, we just have to stay together,” said Landy in a positive voice.

“Yep,” said Arianna.

So, they went to the police station and asked if the officer Colombo was there.

“Is the officer Colombo here?”

“Yes why?” said officer Mumbo.

“Because we found out something about the crime,” said Arianna.

“Ok I will call him down,” said an officer.

“Officer Colombo come down,  
someone wants to talk with you.”

“Ok girl’s what is happening,” said  
Mr. Colombo.

“We found out something about the  
crime,” said Arianna.

“What did you find?” said Mr.  
Colombo.

“We found out that it`s not just one  
robber, there are two robbers,” said  
Landy.

“What? That’s not possible!” said  
officer Colombo.

“It is possible!” said Landy

“Well today we are going to put up security cameras and you two will sleep there in the candy shop,” said officer Colombo.

“Isn’t that too dangerous,” said Arianna.

“No, it will be fun because there is some candy left on a shelf and we... will have pizza night! Isn’t that fun?” said Landy.

“And there’s going to be a trap that puts an alarm in case something happens. The trap will take his weapons and his mask, and his arms

legs and body are going to be stuck, so nothing to worry.”

“But what if he sees the trap?” said Arianna.

“He won’t see it, the trap is invisible,” said officer Colombo.

“Cool,” said Landy.

“So, will you do it Arianna?” asked Landy.

“Ok but my mom and dad know about this right?” asked Arianna.

“Yes,” said officer Colombo

“Ok, I’ll stay,” ...

## Chapter 2 The Mystery

Arianna and Landy were looking at the picture Arianna took.

“Hey, Landy, what if we scan the photo and see who the robbers are,” said Arianna.

“Good idea,” said Landy.

So, they scanned the photo of the robbers.

Arianna looked at the identity and it said that the name was... Colombo.

So, she screamed, “What the heck!!!”

And then she looked at the second scan and it said it was... Mumbo.

She was so shocked that she went to her room and ripped all her cushions and screamed, “Why!!!”

“Landy, come right now. I need you!” said Arianna.

“Coming,” said Landy.

“What happened?” asked Landy.

“I can't even explain,” said Arianna nervously. “I scanned the photo and it said Colombo is one of the robbers!!!”

“What, that can't be,” said Landy.

“I know it’s terrible. We have to stop him,” said Arianna.

“Totally, but how?” asked Landy.

“We are going to go early to the shop because Mr. Colombo said to come at night so they can rob before we get there,” said Arianna.

Let’s stop chatting, and go to the candy shop,” said Landy.

“You`re right, let’s go”

So, they went to the candy shop and waited and waited.

And suddenly they heard a noise

“What was that?” asked Landy.

“It is the thunder outside,” said Arianna.

After a few hours, Arianna went to the front door and looked outside.

And then she saw...

## Chapter 3

Colombo! And Mumbo! Walking to the candy shop!

“Arianna, are they there?” asked Landy.

“Yes! Yes, they are coming,” whispered Arianna.

So, Arianna ran as fast as she could to where the remaining candy was.

When Arianna was back just then the door opened.

Colombo and Mumbo were in the shop and because the trap was

invisible... they got trapped and the alarm turned on.

The rest of the cops came and arrested them.

But then Arianna found the bag that Colombo and Mumbo stole. With all the candy! She asked the shop owner if she could have all the candy gratis and she said...yes!

The End!
