

Position Statement On Interfraternal Relationships

Entities supporting fraternal organizations are as varied as fraternities themselves: [Fraternity Executives Association](#), [Fraternity Communications Association](#), [North-American Interfraternity Conference](#), [National Pan-Hellenic Council](#), [National Association of Latino Fraternal Organizations](#), just to name a few. Fraternity Forward Coalition (FFC) has interest in collaborating with all groups that share mutual interests.

Fraternity comes in all shapes and sizes – it is not a one-size-fits-all proposition and FFC reflects that in the type of advocacy it wishes to do.

The goals of FFC are publicly available [here](#). While issues may vary and some approaches may differ at times, the FFC firmly believes that its work helps all to grow and represent the shared positive values of fraternity.
