		Intermediate Ages 5-7 (learn to swim 2)			Parent/Tot Age 6 month- 2 years

**\$55.00 In District, \$70.00 Out District**

We realize it has been a moment since your child participated in a swimming lesson. So, we are re-working our Levels to group kids together based on ability and age. As the kids get back in the swing of things, we will transition back to the American Red Cross Levels.

Our new class size will have a limit of 4 students. We ask that if your child is sick, to call us and let us know. Most importantly, do not show up to the Aquatic Center sick.

We will be limiting spectators during classes. Please plan to send one parent or guardian with your swimmer. Siblings and small children need to stay with the adult in one location. The deck near the classes will be closed to chairs, we ask that you socially distance on the bleachers during the lessons.

Instructors will be wearing a face shield during lessons and limiting contact as much as possible, without placing your swimmer at risk.

We have a financial assistance program in place. If you would like to receive assistance for all or part of your child's lesson, please let the Front Desk staff know at the time of registration. We are limiting assistance to \$55.00 per child, per year.
