

MOLALLA AQUATIC CENTER

WATER FITNESS AND FITNESS CLASS DESCRIPTIONS

Arthritis

A water-based exercise program that is tailor made for individuals with arthritis. Class includes gentle exercises and movement specifically designed to help promote a healthier lifestyle. The program is proven to decrease pain and depression while improving functional ability, range of motion and strength.

Instructor: *Cindy Morrison*

Water Fitness with Melissa

The original water workout class at your fingertips. Typically taught in shallow water, this class will feature aerobic sets; high intensity; core work and balance. In this class, cardiovascular and strength training are blended together, and finishing with stretching. Participants can work at their own pace in a fun class environment. No previous swimming skill is required.

Instructors: *Melissa Georgesen*

Aqua Zumba

Beginners to advanced levels welcome. No swimming skills required. This high energy, low impact and tons of fun class will get you going! Zumba comes to the water and we want you to try it.

Instructor: *Rebecca Phillips*

Hydrocise Plus

A moderate to high intensity workout in both shallow and deep water. Designed for participants of all abilities and ages. No previous swimming skill is required. Classes will use noodles and hand buoys; as well as the resistance of the water. Work at your own pace or push it- this class has everything you need to work hard and have a good time.

Instructor: *Jolene Cummings*

Water Walking

A low impact, slow moving class designed to increase stability and balance. Move at your own pace doing a variety of exercise intended to keep the resistance high and the impact low.

Instructor: *Jolene Cummings*
