The Fine Print

- Please know, we do our VERY best to ensure that your swimmer has the same instructor for all eight lessons. However, our instructors have families of their own, they get sick, and they do get to take vacations! We will provide a substitute teacher if this happens.
- Classes with fewer than 3 participants will be cancelled. You will be contacted the Friday prior to the class starting if this occurs. The class may be combined with a similar level, or you may choose to upgrade the lesson to a private lesson and pay the difference.
- All classes are 30 minutes in length. There will be no discounts or refunds for missed classes.
- If you miss a class due to personal reasons, the class is simply missed and there will be no refund, credit, or partial refund/credit to your account.
- If the Molalla Aquatic Center must close or cancel a class, a Family Pass will be handed out.
- Registration will open on November 9, 2026. Please make sure that your account is up to date!
- If you create your account online, you will be defaulted to an "Out District" resident and charged the higher fee. Please call Front Desk staff to confirm your residency as "In District" to be charged the correct fee. Please do this prior to payment at the higher fee. No refunds are given for the difference in cost after you have registered without contacting our staff prior.

Private Lessons

Please complete our Private Lesson Request form and submit it to the front desk. If you have already submitted one, and never heard from us, we apologize. We couldn't fit everything in with our limited space in the pool and instructors teaching group classes.

We are extremely limited in our pool space and our instructor availability. If we can make it work, you will receive a phone call from our front desk staff to schedule. You may not have success with registering for a private lesson due to these circumstances. Please be patient, as we are working through a large wait list. Consider signing up for group lessons!

We have a financial assistance program in place. If you would like to receive assistance for all or part of your child's lesson, please let the Front Desk staff know at the time of registration. We are limiting assistance to one session of lessons per child, per year.
