Waiver of Liability

I, as a volunteer with Tiplings hereby knowingly, freely and voluntarily waive all claims for injuries, losses, combinations thereof, and / or demands of any incidents arising because of such activity on or off the premises, from which any liability may or could occur against Tiplings, its Board of Directors, Fetch Thrift Shop, PetSmart, PetSmart Charities or any affiliates. I declare that I shall not hold Tiplings liable for any illness, injury or disease I might contract or sustain while I am volunteering in said capacity. I also understand that I am not covered under any insurance for Tiplings, an all-volunteer, non-profit organization. I fully recognize the possible dangers associated with the work of Tiplings, and I freely consent to this waiver. As a foster, I am a steward and not the owner of the cats placed in my care and will follow all guidance and direction provided by Tiplings, including surrender of cats in my care upon request.
