

BECOME A HARBOR NEXT!ERN

*Virtual
internship!*

**JOIN THE HARBOR
NEXT!ERN FAMILY...**

As a Harbor NEXT!ern, you will be provided the space and support to hone in on your professional goals and take that NEXT! step towards building a successful future.

Our 12-week virtual internship experience offers students the opportunity to learn new skills, develop professional competencies, and build lasting connections.

"I am so appreciative and thankful to have participated in the Spring 2023 NEXtern Cohort with Harbor Institute. I met some very aspiring minds and had the space to learn a variety of new skills! I plan to utilize technological and communicative skills I've enhanced during this internship into my upcoming career as an intensive care nurse. Thank you Harbor Institute for selecting me for this cohort and providing me with the tools to enhance my professionalism."
