

2025

THE SEASON IS HERE

Raw Goats Milk

STRAIGHT FROM THE FARM

NOW OPEN FOR RENEWALS AND NEW
HERD SHARE APPLICATIONS!

A herd share is a fantastic way to support your local farmers, much like a Community Supported Agriculture (CSA) program. In Colorado, it's legal to distribute raw milk through herd shares. Starting in early 2025, I'll be offering herd shares for an annual fee of just \$15, plus an additional \$15 for each half-gallon share. The farm will also offer reserved spots to secure your place in line for a share, along with a list of special herd privileges.

These perks include: First choice of meats, naming rights, farm learning experiences, plus more.
