## EVENING DINNER MEETING

Wednesday, November 17, 2021

Holiday Inn

6600 Coastal Highway, Ocean City, MD

Doors open at 5:00—Program begins at 6:00

**PROGRAM:** Our speaker will be Sharon Carrick, newly installed President of the Maryland Federation of Republican Women.

**PRESIDENT'S MESSAGE:** Yep, things can get worse. Witness Joe Biden's hypocritical audience with Pope Francis and his appallingly embarrassing performance at the international climate conference in Scotland.

The same night that the president and his 85-car 'environmentally sensitive' entourage were returning to the USA, Glenn Youngkin won the governorship in the blue state of Virginia, Minneapolis rejected a complete defunding of their police and New Jersey sent a message that Biden's policies aren't working. Perfect timing to let the Democrats know that common sense will prevail!

The Biden Administration and its power-hungry, progressives were given a lesson that "Government of the people, by the people and for the people shall not perish from the earth" (Abraham Lincoln). Governor-Elect Youngkin listened to the voters and the voters responded. Minneapolis stood their ground, and New Jersey pushed hard against party politics.

And yet, from liberal media reports, it does not appear that the Dems get it. They are blaming everyone but themselves. That's okay. The Republicans won't be stopped – the Red Wave *WILL* happen in 2022. We're just getting started.

The Biden Administration has inflicted major harm on our nation; the crisis at our Southern border, an economy with growing inflation, a severe labor shortage, the destruction of our energy independence, and a supply chain disaster that will take months to resolve are among their major "accomplishments" of the last 10 months.

As costs rise to put food on the table and gas in our cars, Dems are dreaming up even more schemes to ensure that ‘free’ for some is paid for by those who work. In the words of President Gerald Ford, “A government big enough to give you everything you want, is big enough to take everything you have.”

This will not happen because Republicans, moderate Democrats and sensible Independents are fed up and won’t take it anymore! The Republican Party of Abraham Lincoln, Frederick Douglas, and Donald Trump will lead the way to bring America back to its roots.

Let’s work together in 2022 to bring common sense back to our government ‘of, by, and for the people’

*It has been my pleasure to serve as RWWC’s president for the past four years. Our Board members are dedicated and hard-working ladies who made my job easy. A simple “Thank you” is understated and inadequate but heartfully sent to all to express my appreciation to the Board and RWWC members for their support and encouragement. I look forward to continue working with our newly elected officers and wish them all success.*

**AWARDS/VOLUNTEER HOURS:** Our new year, 2022, is almost here, and there will be a lot of opportunities for every member to become involved in our fund raisers, charity work, committee work, **especially campaigning** and more. Your volunteer help makes our RWWC a great and powerful organization. Talk about “great,” if you haven’t heard yet, our RWWC received a Diamond Award from the National Federation of Republican Women for the years 2020 and 2021... This is the highest award any Republican Women’s Club in the USA can receive. We should all be very proud that we accomplished this through our work and efforts.

Don’t forget to register your volunteer hours for any time you give to our club. This can be done by going to our website, [www.gopwomenofworchester.org](http://www.gopwomenofworchester.org), and clicking on the “volunteer” link, which takes you to a volunteer hours form, or email me at [rayesimpson@aol.com](mailto:rayesimpson@aol.com). Hours are reported as political or non-political which is explained on the volunteer form. If you are not sure as to what you can do to help, review the committee list on the website or reach out to me or any RWWC Board member. We welcome any effort you can do to make our RWWC sparkle like a diamond.
