OCTOBER NEWSLETTER (2021 Issue 8)

Gloria Moyer, Editor 410-208-3786

GENERAL MEETING Thursday, October 28, 2021

Dunes Manor Hotel, Ocean City
Doors open at 10:3—Program begins at 11:30

PRESIDENT'S MESSAGE: "WE WILL NEVER FORGET."

Sadly, this president and his administration have forgotten and forsaken those who protect America including our allies and foreign nationals. An unknown number of Americans are behind enemy lines with hope dwindling that they will be rescued. **All for the President's vanity to have a 9/11 photo opp!**

Our closest friends around the globe are condemning the actions that have caused us all to be in real and present danger of terrorist attacks.

And yet, we have a president who plays the blame game masterfully, glibly lies and insults the relatives of our fallen heroes with his lack of compassion. His words ring hollow. Even the media that ensured he was elected are criticizing and calling out the unconscionable decisions that the president, his administration, defense department and military leaders continue to stand behind.

In addition to this tragedy, he and his fellow Democrats in true 'never let a crisis go to waste' fashion are using the loss of life and property caused by floods and hurricanes to promote their agenda to pass trillions more in unnecessary aid and pork legislation. The financial burden of which this country cannot afford. **Shame!**

We continue to face

- unprotected borders with an influx of unvetted illegal aliens
- unnecessary energy dependency
- labor shortages harming businesses and consumers alike
- higher taxes to pay for socialist programs which includes support for those who are not citizens

Of course, there is so much more that Biden and the Democrats want that is harmful, unconstitutional and just plain dumb, unfair and hurtful to those Americans who are working to support their families.

Our country is in the midst of “Breakdown America”, and it is being accomplished as quickly as possible. Polls, even those taken on the Left, are reflecting America’s anger regardless of one’s political affiliation. This path to destruction *must* be stopped beginning with the 2022 midterm elections. Make sure you are a part of America’s future. Advocate! Volunteer! Vote!

Beth Rodier
President
