Dear Brothers of Phi Kappa Sigma:

As we head into the holiday and giving season, please join me in sending a message to our undergraduates and alumni across the US & Canada. The message is clear that now, more than ever, the legacy of Phi Kappa Sigma matters. Continued alumni support is the foundation of our future—a future built on meaningful connections *unique* to our Phi Kappa Sigma Brotherhood.

Staying in touch with our nearest and dearest friends gives our lives meaning. Phi Kappa Sigma has gifted us with many of these relationships. Together, we can help the next generation of Phi Kaps be able to experience their version of this Brotherhood.

Your year-end, tax-deductible gift to the **Phi Kappa Sigma Educational Fund** can make those experiences possible for undergraduates through our scholarship and leadership programs. Our PKS Ed Fund awards over \$100,000 in both need and merit based scholarships annually. This includes our five \$10,000 Regional Mega Scholarships.

If you share this belief in making a lasting impact for the next generation, please make a year-end gift to the Phi Kap. Gifts of all sizes will make a direct impact on our students who are in financial need. You can earmark your gift for a chapter specific scholarship, the Men of Honor Program, Grand Chapter or even to establish a named scholarship. For those of you who have already made a gift this year – **WE THANK YOU!**

Yours in + LT,

Dennis Patrick Shea

AN UPDATE FROM OUR INTERNATIONAL HEADQUARTERS

The PKS Ed Fund is working closely with **Ryan Eisnaugle**, Executive Director and **Dr. Blake MacQueen**, Grand Alpha of our Phi Kappa Sigma International Fraternity, to guide our undergraduates into the future.

"Phi Kappa Sigma continues to experience growth, with the addition of new colonies and an increase in overall membership. We currently have a new chapter at West Virginia University (Alpha Gamma), chartered on November 7th in Morgantown, WV. We have another Colony at the University of Illinois (Rho), which continues to grow, and we hope to charter in the beginning of the Spring Semester. Lastly, we are also continuing to work with a Colony at Virginia Tech (Beta Omicron). In addition to those three colonies, we are also happy to share we are currently running an expansion project at the University of Pennsylvania (Alpha Chapter) Back to our roots!!!!"

- **Ryan Eisnaugle**, Executive Director Phi Kappa Sigma International Fraternity

"I am extremely excited about the direction our organization is heading, focusing on innovating and delivering life-changing opportunities to our members. As a past recipient of Foundation scholarships and having attended and facilitated our leadership institutes, I can attest to the transformational impact that your giving provides. The resources and programming funded by your giving have helped shape me into the leader I am today and this is why I continue to give and volunteer." - **Dr. Blake MacQueen**, Grand Alpha (International President)
