

The Fill Inn Station was established in March of 1979 when the Horstman family purchased the old Blue Diamond Gas Station. Some of the gas station's fixtures that still remain are the original brick pillars from the garage and a monkey wrench that adorns the front bar door. In 1983, meeting and banquet facilities were added to the Fill Inn with the purchase of the Clover Dairy.

Linda Roycraft (an employee since 1980!) and her husband Rick purchased the Fill Inn from the Horstmans in 2000. All of us here at the Fill Inn hope you enjoy your visit and come back again for more cheese curds, popcorn and a cold beer!
