Jan. 8 Sat. Toate promised to ^{bring} us out to Fergusson's dance to night, when he was up here last night, but he could find away. So we all got ready and went to this dance in town, but we weren't there very long when Raymond F. and Johnny H. came along and want us to go out to the dance.

Jan. 14 Annie, Rose and I went out with them Jim Claybough was the driver. It was rather late when we got there, but it was a wonderful dance. We were going to go home early but the boys couldn't get the car started. They trogled it clear down home and then it wouldn't start. Then the dance broke up Annie went down home with Nora and Rose and I rode down on the bug with Toate, who came up with some other boys. About half way down there Toate

Sat.
Jan. 21 I am still out home, never got a chance to go into town yet. Nora went to the Elk's Ball with Sam Turner, and I thought I would have to spend the evening at home, but Snider called up and said he was going to have a party. Said some one would be over after me. Mr. Taylor soon came. I had a good time, and went from there into town with Taylor.

Sat.
Jan. 28 Sherman Tucker and Cuthford came after Rose and I and we went to a dance out at H. Tucker's. Nellie Flynn came out with us. It wasn't much of a dance but we had some fun. We were rather tired on account of being at a party up at Bucknam's last night. All of the Irish in town were there and we jigged, joggled and played cards.

Feb. 3 Rose and I went to a party at Curran's and had a very good time. did a?

little of every thing, had a hunk of time trying to shoot dice. I, also, met Mrs. McMinximio's new lawyer, Notten. I got to know Mrs. Farrier for the first time. She is sure a jolly sport.

Feb. 4. Mr. Faylor and Snider came along
Sat. and took me out to Faylor's dance. There was a good crowd there, and I sure had a good time.

Fri. Lexington played us up here. The boys
Feb. 10 won but we girls were defeated 24 to 16. They were both pretty good games.

Fri. The Freshman gave the upper class
Feb. 17 men a Galentine party. we all had a pretty good time but it broke up rather early.

Fri. We boys and girls went to zone to play
Feb. 24 basket ball. we had a good time coming and going. Sang most of the way. The boys lost by one point and we won 15 to 16.

mon. Jack Cundas and another fellow came
Feb. 27 down after Rose and I and we went up to Bucknarn's. We had a little fun, danced half sets, jigged, zizzed and sang.

Tues.
Feb. 28

Mrs Bicknurn phoned down and wanted us kids to come up again. She said it would be the last, as tomorrow is Lent. Rose, Bessie and I went up and we had fun. Did the same things as the night before, except that we played smutt, and I was sure a black looking devil, when they got through with me.

Sat.
March 11

Oral Scot took Rose and I out to the dance at Wagmans. Alma Devin called up and wanted to know if I would go. Leora also went out. We had a good time, got back to town about 5:00 A.M.

Fri.
March 3

I forgot to mention the fact that we went to Lexington to play B.B. with the boys and girls. The boys won by one point and we lost 30 to 21. We got back up here about 10:00 P.M. Elaine L. and I went into Gurdance and had a sandwich and paper cake, before going home.

Thurs. Johnny came in on the train to night
March 16 and after supper we went up to the
1922 Church to hear Father Skelly, who came
here to organize the society of the "Holy
Rosary". After church I had to stay and
practice the mass as we are to sing
high mass to-morrow morning.

I saw Herbert and John French, Mrs.
French and Sara Mc Divitt at church
and several others, who are in for the
17th.

Fri. Went to church this morning and this
March 17 afternoon we went out to watch
1923 the Irish play foot ball. There wasn't
enough Irishmen so they had to play
happner. It was some game. There
was a dance at the hotel. It was
good, but rather crowded.

Sat. I must have celebrated to much
March 18 yesterday. I sure felt like heck this morning.
Johnny and I didn't go to the banquet,
but ^{to} the show instead. It was pretty good.
He went down to the dance at the Fair
Ravilion after that. It was lots better

then the one last night.

Sun. Did nothing but lay around. Every one

March 19 has gone home. Johnny and went
1922 for a walk then went to the show.
It wasn't anything extra. Bill Hart
in something. Johnny is going in
the morning.

Sat. We had a lovely time papering the
March 25 bed room, but it was worth the time.
Owrie has been in, but went out
last week, so he couldn't help. Rose
got supper for us at her house, mak-
ing it just fine for us.

March 30 Annie went to the theater to night
Thurs. to hear the U of O orchestra play.
It was sure great. They (or a few of them)
played for a dance afterwards. It
wasn't so very good, as they played
such long dances.

Sat. We papered the sitting room
April 1. today. Cox came in yesterday, so
was here to help us. Nana
came in to the Elk's custom ball
with Bowman and was home almost

then the one last night.

Tue. Mr. Hansaku, ~~state~~ director of the
April 4 near East Relief was at school
speaking today. He also gave a
free show after school, showing the
conditions in the near East.

Sat. He (that is Mary Farley Gertrude and I)
April 8 came out home with Papa last night
made our baskets after supper. Today
we finished them and filled them.
Owrie and Johnny went to town with a
load of grain. Francis and Edmund Weil
came out in Owrie's place. Papa went
to town also to bring out a load (Annie,
Celia, Dan, Bessie and Kathleen Marham)
He had a load all ready so a bunch
of us went with Oral Scott.

Nora had gone over to Snider's earlier
in the day and stayed there. It was
a good dance and they made a lot
of money, over a hundred dollars.

Sun. I went to see Owrie play ball this after-
April 9 noon. on Heppner's team when they played
Echs. They won too, 8 to 4.

1922

Tues. The all went to the operetta to-night
April 18. "The Gypsy Rover" and it was sure
all right. Allen Case as an English
fop was all right "doncha know." They
sure attracted a full house.

Wed. The, the Junior Class were invited
April 12 up to Barratt's to-night. She gave
us a dandy Scotch party. She were
all there believe me. Mr. and Mrs.
Gibbs entertained us by singing
Scotch songs. They were sure fine.
Mrs. Barratt read to us some of
Burns's poems, and she knew how to
do it, too. Before going home, refreshments
of ice cream and cookies were served.
After that we all stood up and sang
"Auld Lang Syne," and when we came to
the words: "and here's a hand, my trusty
friend, and give's a hand a' thins," we
all took hands and sang. Then the
party broke up and we came home.

Fri Our Junior Civic class had a
April 21 picnic to-day, we left right after
school and went up near Mondharis.
She played baseball until we were
tired then made a fire to cook coffee
and weenies, but poor Rose and I
couldn't eat them. When we were there

1922

~~After~~ eating we played around for a while then Rose and I went up to Monahan's. We played the piano and monkeyed around up there until rather late. John Rendello came home with us.

Thurs.
May 4 Today was Junior flunk day, and we all left Heppner at 6:00 A.M. and went out to a good camping place on Rhea Creek. A good part of the day we spent, cooking our meals on a little dinky stove with the lids and door absent. The rest of the time we spent exploring the hills, fishing, shooting, playing ball, cards and reading and talking.

We got back to town about 8:00 P.M. Some day I'll say by Gosh.

Sat.
May 13 Sewed all day today and went to see Rose Hurl, perform as an old Irish lady in the Junior and Senior play "Marche By The Bay", this evening. It was sure a good play. They gave it last night, too. The folks were in there. Bessie went out with them.

decorate for the Baccalaureate sermon
Sara, Rose and I went to hear it. It
was a very good talk given by Mrs Living-
stone.

Thurs
May 18 We had our Junior & Senior banquet
to night, and believe me it was
some affair. We were at the hotel
all yesterday afternoon decorating
for it.

Friday
May 19
1922 We met at the school, for the last
time this year or term, this afternoon.
I took my exams the first of the week.
Monday was high school picnic day,
but I didn't go. They went to the moun-
tains and had a pretty good time.
I got my annual to day. It is a little
different than ever before.

This evening we had a little dinner
party at our house. Those present were:
Rose Hirl, Bessie My Cabb, Mary Farley,
Celia Kenny, Nora Doherty, Edmond Hirl,
and Anna, Francis, Sara and myself.
Gertrude was sick so couldn't come
to the table, after dinner we went
to the commencement exercises. And
I came out here with Nora and Mr.
Taylor, Papa, Francis & Edmond came
out, too, arriving a little after we did.

1922

~~Sund~~
May 21 1922 The whole family, almost, started for church this morning, but to our dismay the car refused to budge. We had great sport pushing it around here, but it wouldn't start so we had to come back to the house. Then Nora and I went down to visit Eda. It was the first time for either of us and we had a delightful time. We never got home until 10:30 P.M. Of course if we had gone to town we might have had a chance to go to Mags picnic, as some of the other girls got to go. Mags school will be out tomorrow.

Thurs.
May 25 1922 Spent to town this evening to attend the mission. Nora went ~~home~~ back yesterday evening and came out this morning.

Friday
May 26 1922 Went to church this morning and came out home after that. Mary Hill ^{also Lorraine} came out with us, we went back to town about 2:00 P.M. and left town for Cor's about 4:00 P.M. We had supper there, waited on the Hill girl and started for Pendleton about 7:30. We got in time for the dance at the grove. There was a good crowd there and we had a dandy time.

Sat.

May 27

1932

worked around the grave until every one got out of bed, then Papa took a bunch of us up to the Academy after Helen. The rest of the bunch dropped off up town, and Helen and I went back to the grave. I monkeyed around there until about 5:00 P.M. when we had to take Helen back to the school. From the school we went to the Hospital. (Papa and I) I went up to see Mary Ann and her new son, born this morning. Pat was up there, so I rode down to his place with him. There was quite a bunch around there so we stayed there for some time. By the time we got to the grave, it was time to get ready to go to a show and the dance at the Bazaar. Mag & Bernard and I and Johnny went to a show, afterwards we went to the dance, but it was almost over, ^{so} got to dance only about a couple of times.

Sun.

May 28

1932

Got up early and went to first mass with Johnny, Rosella, and Mrs. Doherty. The brot Helen back with us. It we had to rush the rest of the bunch off to church. Just shortly after we got back Edmond, Rose, Mag, Bernard, Johnny M. and I started off to get a

baby-doll special, then we went for a ride, next to a show and then Johnny had to leave us to go to LaGrande, where he starts work. We then went to a Cafeteria and had something to eat then went back to the grove, where we kept the place and the rest of the bunch went for a ride. They went as far as Athena. After they came back Aunt Sara had to be sent home so a bunch of us went with Bernard and took her home. We had great sport dodging a car and following it around town. It was about 11:00 P.M. when we got home.

Mon.
May 29
1922 We saw the circus parade before we started home, had dinner at Cox's and came by town. It was dark when we got here.

Friday
June 2 Nora's school was out to day so to celebrate it we all went to Ralph Scott's and had a sort of picnic, Don's Flynn is up there now helping Alma. After the eats Papa, Ellie and I went on to town.

Sat.

Sun. Mag. and Eugene rode in a horse
June 4 back to church this morning. never
1922 got back until 9:00 P.M.

Tues. The folks got home this evening
June 6 from Cox's. They didn't see any-
1922 thing of excitement while in Pendle-
ton. They saw Johnny M. He didn't
get his job. and Helen looks and
acts quite natural.

Wed. Nora was up at school working
June 7 this afternoon. I rode up there and
1922 found Mr. Taylor there also. He was
going on into town after exam
papers, but they came along
with me. We got home here
about 9:00 P.M. Tomorrow
morning Papa, Nora and Mag
are going to Canyon City with Mr.
Taylor, and I'll have to give the
eighth grade examinations to-
morrow and next day.

Th. gave exams yesterday and to-
June 8 day. had to go over to Mrs. Snider
to get her to sign some papers.

Sun. Francis took the car this
June 11 morning and drove a bunch of
us to church. I didn't do much,
but we had quite a young water

spout in there. I was down at Davis watching a base ball game when it started, so I had to stay there for awhile until it stoped. I went over to Kennys after that, then came home.

Mon.
June 12
1922 The folks got home from Canyon City this afternoon and report an excellent trip, saw some wonderful scenery I expect. Mag never came out from town, but will take the teacher's exams this week. Nora went on over to Snider's with Laddor to enjoy a feed of Ice Cream. I would like to have gone but couldn't.

Thurs.
June 15
1922 A bunch of us came in to the Farmer's Picnic this morning. There was quite a crowd present. Cecil and I took in some of the sports in the afternoon. The base ball game between eight mile and Blackhawk ending 1 to 12 in favor of B.H. but they lost on almost every thing else. The dance was fine I had a splendid time. Nora came in for it after the other folks got home. (Sara came out with them)

with Sniders and I came out with her after the dance. To-morrow morning she starts for Cox's so she will miss the dance at Evans Sat. night.

Sun. folks all went to Church this
June 18 morning, but Francis, kids and
1922 J. Sara went in also. Martha Driscoll came out with them.

Yes, I was at the dance last night Walter Evans, and Glen Young went in after Annie and May and came out this way and got me. There was a fine crowd there and I had a very good time

Friday We, the same bunch, went to a
June 23 surprise dance out at Wakefield's
1922 and had a good time as usual.

Sat. Rode in a horse back after Annie
June 24 also took in Martha Driscoll. We had some rides out, too, By Golly!

Sun. We all went in to church this
June 25 day. and Belia and I had some
1922 talk about how we were going to get to Ukiah, here's hoping.

Fri. I rode in town with Papa this
June 30 morning. Belia and May went as far as French's with John on

their way to Ukiah. I may get a chance to go with John Kenny Sunday, as he is one of the judges and has to be up there.

Sun.
July 2
1922

Went in to church this morning, and after church I went with Kennys to Ukiah. Besides Johnny and Bee and the two boys, Jim Mollahan, Mary Farley and I made up the load. When we reached Mc Divitts we found the crowd congregated. There was six car loads of us left there (two Doherty Cars, French's, Kennys, Brosnans and Mc Divitts.) John French, Celia, Mag, Nora and Johnny Mc L. had left earlier. We got to Ukiah before dark, and got cleaned up at Felix Johnson's and later went to the dance, which was pretty good. Mary F. and I went up to Doherty's camp, that was out of Ukiah away, there we had a fine sleep.

Mon.
July 3
1922

We laid around camp all morning. This afternoon we went down to the R. R. and it was so blasted hot we nearly roasted. After the R. R. we went back to camp and Mary F.

their way to Ukiah. I may get a chance to go with John Kenny Sunday, as he is one of the judges and has to be up there.

My goodness! there was a crowd there and hot! Gee, I'll say. But we all had a good enough time, and the ground felt fine out on the mountain.

Tues.
July 4
1922

Woke up to find Hugh Curran's camped close to us, and Katie is as funny as ever. Mary S. and I rode down town with them and got cleaned up in time to see the races and so forth. we ran across the bunch from Pend. and after the foot races we went to Midway springs, got lost once but finally got there and had a fine swim. The two Doherty cars came along later, and instead of going back to Ukiah with the bunch I came over with (Edmond, Frances, Mary, Johnny, Joe, Mary Hill and Mary Farley) Johnny ~~Witt~~ and I went on to Lehman with Pat's outfit (Pat, Joe, Susan, Sara McDewitt, Mary, Dan, Edmond H., Joe Barney, Johnny D. & Jimmy).

They all had a swim, but Johnny & I had been in at Midway so didn't go in. We went to the Dance but it wasn't much good so we came home and sat around the bonfire and told stories, when we got tired of that we went to bed.

Wed.
July 5
1921

We explored the place this morning, and this afternoon we went into the pond. I went down into the deep water for the first time. It was rather late when we got out so our hair didn't get dry and we couldn't go to the dance.

Thurs.
July 6
1921

We all went in the pond this morning, but Nosa, Sara and Pat. and we sure had some fun, but I have some burned shoulders to show for it. We had dinner after we got out, then the boys played a few games after that we started for Burdane. we got to Pat's at 10:00 P.M. had a wonderful ride out. stopped a quite a while at Bear Wallow to fix a tire.

Fri.
July 7
1921

I didn't get out of bed until noon and this afternoon we came over to McDivitts. Nothing exciting happened.

July 8 Mary Hirl, Edmond and I started
Sat. for our homes this morning at
1922 8:00 A.M. We were all a horse back,
I took Nora's horse. We were at
French's for dinner, after dinner
we all weighed. I was the
heaviest, as my weight was 149 lb.
It was 2:00 P.M. before we left, we
headed for Crossman's and their home.
I had a nice visit with Zetta.
Tomorrow morning I'll go to town
with them I suppose.

Sun. I came to Church with Crossman's
July 9 this morning, was at Kennip for
1922 dinner, and of course Celia and
talked our wild week over to a
finish. I got home here safe
after a week's absence, this even-
ing, and I'm thinking it will
take a week to get over it all.

Sun. Well it did take a week to get over
July 16 it all right. I never did a thing
1922 all week. I went to town today
with the folks. I was in yesterday
too, with Francis when he took
Papa in to go to Auburn. Sara is
going to Hood River tomorrow morn-
ing so she says. I didn't do very

very much, but Francis, Mag, Celia and I took the car and went for a ride, shortly after we came home. And after we got here Mamma got herself and Betty ready, and I took them in! Ma wanted to see Sara before she left, and I guess she will stay in with Annie for awhile.

Sun. Nothing much happened all week.
July 23 Mamma is still in town, but the
1922 kids all came out with the folks who were in town. Papa came home Friday morning with Francis (but came home from A. Wed. night) and that afternoon Francis went over to work on the thrashing outfit. He is driving box. He came home last night and went back with Mr. Taylor this evening. I rode to Lev. yesterday afternoon, had a pretty good ride but the wind was blowing like the dickens, consequently, the dust was flying right and left.

July 28 Mag and Papa went to town
1922 today after Mamma, but they
Friday didn't come out. I guess they won't come out until tomorrow.

Sat. July 29 1922 Papa and Mamma got home this afternoon. Mag stayed in for the dance. Morris is also coming ^{from Sheridan's} as far as Heppner tonight. She has had quite a vacation. She was to go ^{to} the sand with me a horse back, but she didn't come home in time, so Papa is going to take me down this evening, I'll down for the dance at Bill Doherty's to night.

Sun. July 30 1922 I'm ^{now} at Uncle Phil's. Cassie and her sis, Mary, are here, also. It was for them that the dance was given. It was a fine little dance. ^{so} A good jolly crowd, consequently we didn't get home until ^{this} morning. We monkeyed around all day. This afternoon Mary and I downed overalls and went with ^{The kid} Bill over to ^{Martin Behm's} Beaunys after a tank of water. It was my first ride on a water tank. Mamma came over this evening.

having a big water with Bernard.
Susie and Mary went out also.

My but I had an awfull water fight

back. I drove hudder boy and a little of everything. I never did a thing yesterday, but lie around. I did go for a little ride down the canyon yesterday evening ^{think of} come to it.

Sun. July 6, 1921 Bernard, P.J., Pat, and I got up early this morning and started for Pend. we intended to get in in time for church but we didn't. Just got there in time to help "L" Katie and Francis catch the train for Portland. We went up town and ran across Cassie and Mary. (They hadn't gone home yet) Joe Doherty and Edmond were with them. Some of us went to a show. and when we came out we went up to their room and found Aunt Rose. ^(Bill & Uncl. Phil had gone home) Rose, Bernard and I went up to the hospital to see Mary (she sure looks fine) We came home soon after. Rose was with us. when we got home I found Rose in my bed, she had come over from Haward's a house back.

Mon. Rose & I rode out to the field and

visited around awhile, ~~and~~ Rose had to go back home, so I rode over with her. I stayed at Howards for dinner and came back to Sand Hollow again, got there about 3:00 P.M. I'm now at Uncle Phil's. Bernard took A. Rose and I over awhile ago. Mary and Rosella came over for the ride; ~~but~~ ^{so} they went right back again.

Fri. I'm now at Sand Hollow, came over
Aug. 11, 1922 yesterday afternoon to take some pictures but it had to go and rain. and it's raining today and they're not working, but I got some pictures around the house. It was Lawrence's birthday (9th).

Sat. It rained again last night and
Aug. 12. they didn't work today. We took a bunch
1922 of pictures tho' before I left there.
This morning. I was at Ed's for dinner, and Nora (she came up from Portland Thurs.) and I came over here to Uncle Phil's this evening. Nora is going to stay all night with us to night.

for dinner. Cassie McDivitt was
there also. I had a very nice visit
and left about 4:00 P.M. for Uncle Phil's
on foot. The folks were all gone except
Willie. They went in yesterday after
May, (Nora went with them). Andy
were to be out this evening, but I

didn't wait to see, came one over here to McDaid's. The Dohertys from Sand Hollow were over and we had a good time playing blind-man's-buff and acting crazy. The boys just left, but Mary, Rosella and Lawrence stayed.

Tues. At home at last, Bernard took us
Aug. 22 home tonight. He came over ^{to McDaid's} after
Mary and Lawrence, and so he told me
he would take me home. They came along.
We stayed all night at Uncle Phil's last night and Nora came with us up to Heppner this afternoon, and we came out here just awhile ago.

Wed. The thrashers are still on our place.
Aug. 23 It is Snider's outfit. They are supposed to be there tomorrow. Mag, Nora, Mary and I went out to watch them this afternoon I sure had one jolly afternoon of it. I tried my hand at every thing from driving header to sewing sacks. The kids went home and left me, and when I got home Bernard and Mary were gone and I was as tired as could be.

Sat. I'm nineteen today By Kirk! There's
Aug. 26, 1922 to be a surprise dance up at Frank
Maryers to night, and it remains to
be seen what kind of a dance it
will be.

Sun. Well we didn't go to the dance last
Aug. 27 night, for ^{Papa, Nora and I} we are now in Wood River,
1922 came down yesterday evening as far
as the Dallas and went to church there
at 7:00 A.M., and after Mass we talk-
ed with Father O'Rourke awhile, and
were in Wood River before Sara and
Quinn got back from church. We went
for a ride this afternoon out around
here and down the highway. I was
sure taking in every thing there was
to see. Mt. Wood looked awfully pretty.
We ordered some peaches, and will
get them tomorrow.

Tues. We got home this evening, had
Aug. 29 one long ride up here, started at
10:00 A.M. and had dinner in Arling-
ton. Just out of Arlington we got stuck
a pond came along and we helped

each other push up the hill. We had quite a load as we had 11 apple boxes of peaches with us. One of the fellows in the food was Murphy, he knew Joe Doherty.

We stopped a while in Goner, as it was raining when we got that far. We were home in time for supper tho.

Mag is going down on the train tomorrow morning. Nora and I did a little shopping yesterday and looked around the town.

Sat. Sept. 2 1922 Nora went to town yesterday morning and left me working like a good fellow. Today we are as busy as ever and I guess we will be till school starts. There is to be a harvest ball over at Snider's to night, as they are getting through thrashing. I think it will be some affair.

Sun. Sept 3 1922 Well it was sure some dance all right, but I guess they always have good dances there. We came up from H. R. last night and came out with Annie and a bunch from Heppner. She has to go to town

Monday. A bunch of us came to
town today. Annie had gone on
Sept. ^{with Groschan girls} her vacation which would take
her to Gratar Lake and other points.
She left the house in a rather bad
condition, so I devoted my time
in cleaning it up. The following
week will mean a lot of work
for us, because things must be
got in order before school starts.

Mon. School started today, Gertrude
Sept. 11, 1931 and I stayed in. We have a
whole new force of teachers this year.
Papa took Nora over to Brosnam's
yesterday and Clea, Rose and I went
along. Her school starts today.
Walter Evans took Nora and I to
an Elks dance Saturday night.
They said it wasn't much but
as it was my first I enjoyed
it pretty well. It is sure some
hall anyway.

Sun. Nothing of interest happened during
Sept. 17 the week, only school got started in.

good shape. I'm taking: English, Chemistry, Caesar and American History, and have had to work some, and will the rest of the year I guess. Gertrude and I went to first mass this morning and when mamma and the folks came in they left Paul and Betty here. The boys haven't started yet but I guess they will be in next week.

Sum. The R. U. is over and I didn't get
Sept. 24 to go this year. Annie got back to-
1922 night, and Eugene and Bernard came in to start school. So when Francis comes in our family will all be collected. I guess he will finish hauling wheat Tues. I sure would like to have gone to the R. U. Gene was here this afternoon and said it was fine. I guess the crowd was larger than ever. Nora was over with Brosnan's. Alag was over also (went with Bernard) Annie reports and excellent trip. she was at R. U. with Sara for a couple of days

I stayed all night with Celia last night ^{before last} and we had quite a visit together and we were in with Jimmy for almost an hour. He seemed in very good humor. I never did see him so interested, we talked about everything, even had him laughing at times. I washed clothes and cleaned house yesterday. usual Sat. job here.

Thurs. (Rodeo) first day of Keppner's first
Sept. 28 big show. Papa, Johnny and Francis were in, but I had to go to school. We get off tomorrow tho' and get in free besides. I went up to Curran's this evening to make candy for the food sale tomorrow and next day. I guess I'll go to the dance to-night.

Friday yes, I went to the dance last night, it was
Sept. 29 rather good, but I came home early, as there is two more dances to come. Rose came home with me. The Rodeo was fine today. I didn't think Hep.

could put on such a show. Francis is in with Ralph Moore, and they have a stand (this three shots stuff). Nora and Mag came in to-day or this evening, also Sara McDivitt.

Sat. I went to the Show this afternoon and
Sept. 30 it was dandy and say there was sure
1911 some crowd there for Heppner. Aunt Rose, May, Willie McDad and Bill came up for the Rodes, but Bernard, Pat and Mary never got up until this evening. I noticed a quite a bunch from Pendleton over, too. The dance last night was good, but I guess it will be better to night. (I came home with Glen last night.)

Sun. Well, the big Rodes is over. There was
Oct. 1 sure a crowd in the dance halls last
1911 night, but I had a dandy time. Moma didn't come in for it, but came in today. Nora went home this morning and Mag rode out with French's this afternoon. Bernard and Mary were the last to leave, and they left this evening.

1922

Another week has passed and nothing much has happened out of the ordinary. go to school get your lessons and the work here at home. I stayed with Delia last Monday night, came home with her from Choir practice, and I stayed home from school that morning to get the house in order after the lunch being here the day before. Annie has been staying with Oail Gray since Clarks are gone. She had her here for dinner today. Everything went off beautifully. Roncha know. I was at Farley's this afternoon that is Bessie and I and we stayed for lunch then went to Benediction. The first part of the P.M. Papa, Eugene and I went up to Monahan's and picked some prunes.

Fri.

Oct. 13

1922

Tonight we (the upperclassmen) gave the Freshmen a party, and say the basement was decorated to cute for words, leaves and jack O'lanterns everywhere. That being the main

means of light; Francis Parker and I dressed in sheets and a mask on our face, received the freshmen and put them in a room by themselves. Later they were brot into the beauty parlor and got their noses painted green. They had to leave the paint on, too. We had a lot of fun playing different games, than at most parties. For refreshments we had pumpkin pie, doughnuts and cider.

After the party we kids came down by Hislers, where a bunch of kids were having a private party. The doors were all locked so there was no chance of getting to ~~stealing~~ the cats. so I had a bright idea; got a ladder and climbed up ~~and got~~ through the up stairs window, ~~and~~ put on my ghostly outfit and came down stairs. The kids didn't know what to make of it, but they soon found out that it was I. I left right away, and Celia came up later and ^{all night} stayed

Sun.
Oct. 15
1922

There was a farewell dance out at Snyder's last night. It was sure a good dance, but awfully crowded. Ray Young is going to take the place now. Papa came in yesterday, so Annie, Rose, Gertrude, Ruby Connigal and myself went out. Nona and Mag. were out home, they came over for Teachers Institute, so that means we won't have any school for three days. The Hippner boys played Allington in a good rough foot ball game yesterday. Allington won. The boys (Eugene & Francis) weren't home when we went out home last night. The bunch of us girls came in for church this morning. Ruby went to town last night so that was one less. Nona and I went down to Brosnan's this afternoon and had quite a visit. So night we went to Benediction, and afterwards to a show with Mr. Taylor. But it wasn't much.

Thurs.
Oct. 19

Well school started again this morning. Papa didn't the boys in and Mag

and Mrs. went out with him. Nora is going back until Sunday, but May came back intoday intending to ride on over to her school but didn't leave town. I went over to the Institute yesterday afternoon. We had a schoolman down for dinner the other night.

Sat.
Oct. 21
1922 I spent most of this day putting down our new rag carpet in the bed room. it sure looks fine if I do say it. May left for sure this afternoon for her home in the hills, She and Bernard went to the show last night, while Gertrude and I visited the Barton family. It was my first visit ~~since~~ since they moved down so near us, and I had a very enjoyable evening. Annie & I went to Benediction tonight and we took in the show afterwards "Conflict". It was pretty good, but nothing extra.

Sun.
Oct. 22 I forgot all about it, but yesterday Betty was four years old yesterday. The folks were all in today but Johnny Taylor. Nora came in a horse back from home, and

went on out to Brown's this after-
noon. May should have waited and ridden
out with her.

Annie & I went to the show again to-
night. "Cradle Buster" and it was fine.
When we were going out ^{we} discovered the
three boys. So Gertrude had to go
home from church and get into
bed alone tonight. (Rose & Celie got a
ride in a bug L. A. & Judge.)

Wed.
Oct. 25
1911

I'm all alone to night, kids went to
church, and Annie dined with the
B. Clark family tonight and hasn't got
home yet. I sure had some time
last night, haven't gotten over it yet.
The Senior class met at Thelma's ^{at 6:00 P.M.} and
~~started~~ there started on our hike. We
had a quite a time getting Mather to
go, but he finally went with us. We
went about a couple of miles up Willow
creek; found a good spot to camp, it
was sort of a grove. I think it was an
old orchard, but it was sure a good
place to camp. There was a big bon fire

made, and as soon as the coffee was done we started in to eat as we were all nearly starved. We had: wonderfully fried, & stolen chickens, (the boys of the class caught them and the girls cooked them) sweet pickles, bread and butter sandwiches, Cookies of all sorts and marshmallows. my but everything tasted - (they couldn't be expelled!) After ~~we~~ we had all we could eat, there came a whole bunch of boys and finished up what we left. They stayed with us then and we and we played run sheep run, I beckon, gossip, and other games we sure had fun. I never got home 'til 11:30 P.M. and it was 12:00 before I got to bed. There was a letter here from Lura so I sat down and read it, of course. She has been having all kinds of visitors, the last being Mr. & Mrs. Mac. Johnny had been down there for some time and ^{when} he wrote and told them that he was going to Ariz. They wasted no time in getting down there.

Annie and I or our choir went over to Mrs. Cockren's Monday night to pick out

some songs to sing at a Red Cross Community sing to be given the 10th. There was quite a crowd there. We are all supposed to go back again Friday.

Thurs.
Nov. 1st

Annie went over with Celia to-night. Papa is here, he sold the wheat this evening for .97. He hasn't gone home since Monday evening, when he came in to take Mrs. Hurl, ^(Cass died) and Rose to catch a train for Seattle. He didn't get to Echo interview so went on to Bendleton. Francis was with him. They got back yesterday evening.

Friday
Nov. 3

I am alone guarding youngsters to-night namely: Katherine, Dan, Nora & James McL., Lorraine, Betty, Paul, Helen and Gertrude. Everyone is over at Kennys'. Jimmy died yesterday afternoon about 4:00 o'clock. When he got worse they sent for Celia at school. I met Matt in the hall and he told me Jimmy was dying, so I went over just as soon as school was out. I wasn't there very long when he died. He passed away very quietly as if in a sleep. I stayed over there all night and helped all I could. and didn't go to school to day. I did some

some songs to sing at a Red Cross Community sing to be given the 10th. There was quite a crowd there. We are all supposed to go back again Friday.

over home here this afternoon and have been
busy ever since. Papa came in about 3:30
and left mama and kids here, then
went on over after Mary and family. Sara came
in on the train to night also. So I have the
kids now. Mary Kirt wants me to stay
all night with her so when the kids go
to sleep I'll go over.

Sun
Nov. 5 Well, Jimmy was buried yesterday morning.
The Elks marched up to the graveyard. There
was sure a large crowd present, ^{and} they
couldn't even get in the church.

We had quite a bunch here last night.
The room was packed, so they ^{we} played
gossip to amuse ourselves; and between
Johnny Kenny & Co.; they sure had so great
gossip.

Every one went home today. Papa took
Cor and family, Nora and May home, and
Mamma and her family went out home
with Bill Doherty and his family.

Sara is going on the train tomorrow
morning so she will get down in time
to vote the 7th.

Sat.

Nov. 11

Tonight was the night of the Community Sing. We got along very well considering the circumstances. A dance followed. There was a rather large crowd, but no one seemed to think much of the dance. The music was punk. I danced quite a little bit, but I can't say I enjoyed myself much.

Sat.

Nov. 18

Had a good washing today, and tonight we - that is, ^{Rose H.} Annie, Belia, Kelly & Murtal C and myself went to the show. Several of us had seen it before but it was pretty good 'The Delicious Little Devil,' and anyway Belia had her car and took us for a ride afterwards. Then after we took Murtle and Kelly home, we were going up main street when Edmond B. & Alvin B. jumped on each side of the running board.

They climbed in and we went for another ride out towards B. H. Belia had to take the car home, so they got 'Burk's' ford and took me over to our end of town. Belia slept with Annie and I went over to Hils?

Mon. This is the night we have choir practice.
Nov. 20 Every thing went much as usual, our
new mass is beginning to sound pretty
well; after practicing ^{Mary J. & Helen C. &} I walked up with Mrs.
Balmus, then we went home with Helen.
Then walked back down and left Mary at
home. Then Bessie & I parted down here at
the gate. I stayed all night with Celia.
Last night, went home with her from Benediction.

Sun.
Nov. 26 I'm pretty darn tired today after the
dance last night. We didn't get up til
10:00 A.M., ~~tho~~ we just had time to get ready
for church. It was sure some dance
tho' it was the first dance Young gave
since Sniders left, and the crowd was
larger than ever. Annie & I went out
with Earl & Walter Evans and on our way
witnessed a little excitement as a
couple of cars collided right in front
of us. I couldn't see at all tho'
with the fog and frost on the wind shield.
No one was hurt very badly. But there was a
few bad cuts on the face of one driver.
Hugh Berris was driving the other car and

was drunk as were the rest in his car. So they got what was coming to them

Wed. No. more school this week. Papa came
Nov. 29 in a took everyone out but I, and I
1922 am going to the Elks Ball to night with
Walter E. Nora & Mag came in a horse

to the dance. Sam F. is Nora's partner.

He had a dandy time both singing

Nora started for Hood River next morn-
