Papa rode down to Portland with Mr. Wigglesworth. About 4:00 P.M. Tina called up and sed (sic - said) she and Gene were coming up on train have someone meet them in Arlington at 10:00 o'clock. Bernard and Puff Rice had gone up to the Sand in our car so there -for (sic - therefore) couldn't find them. Had Francis get a car and about that time Tina called and said wouldn't come that nite (sic - night). Such a mess ----- Couldn't get anyone in town so I guess Francis, Helen and Mac had a great ride to Arlington in Mahoneys (sic - Mahoney's) car.

Millers came out to the ranch on the way home and we had a chicken feed. Bernard brot (sic - brought) Tina out and I came back in with him. Went to Pilot-Rock in our car. Reita Neel also took her car. Half of the crowd wanted to go to Ukiah and half to P.R. - We won, that is Pilot Rock won. - Had a fair time.

"Are you going to Ukiah?"

Monday - Nov. 11

Armistice Day.

Went into a big ball game between Hermiston and H.H.S. (Heppner High School) The latter won quite easily. We went up to the dance at the Elks. I sure do make one grand wall-flower. Getting to be a regular volunteer.

Continued from the second section, which was written on 8 1/2 inch by 11 inch ruled note paper (loose leaf). This section is written in a small green five year diary, approximately 4 inches by 5 inches in dimension. The first part of this section of the diary is a repeat from January 1 to January 29, 1933. I believe she transcribed this portion from the second section. However, there are slight variations in the text. Besides inscribing her name (Gertrude Doherty and later adding Applegate in slightly different ink) there is a caption written: 1933 "Happy New Year Jake' from - Yours truly" - CDM.
