ABOUT YO PLANNER

One of the segments that Yo Planner has developed in recent years is the entertainment market; We know that these types of clients have very specific needs, including privacy, and our experts have sufficient experience, in addition to the English language, to assist them.

For buyers of entertainment travel, we can help them find the best properties in the world. We are part of the Tour Connection network, the main community of specialist agents in the segment.

We are also implementing the receptive area to serve international agencies that require an ally in Mexico that can advise them and give them all the updates and conditions of hotels, venues and suppliers.
