Welcome to our health center, Connect Health + Wellness (CHW). We are pleased to have the opportunity to provide health care services to you. We accept patients with or without insurance and offer a discount based on family size and income. Community Health Centers, also known as Federally Qualified Health Centers (FQHCs) are non-profit, community-based, patient-centered organizations that deliver comprehensive, integrated primary and preventative healthcare services to everyone in their communities, regardless of their insurance status or ability to pay.

Family size is the number of people filing taxes together; total income is gross income before any deductions are taken from the income. Documentation of gross income **MUST** be provided within 30 days of the first visit and updated annually or whenever there is a change in income. If proof of income is not received within 30 days of your first visit, **YOU WILL BE CHARGED FULL PRICE** and will receive a bill for the **FULL AMOUNT** and not eligible for another year of service to apply for the Sliding Fee Schedule.

Acceptable documentation of income includes the **most current** of at least **ONE** of the following for **EACH** household member receiving income:
