Cancellation and Missed Appointment Policy

You must provide at least a 24-hour notice if you are unable to keep an appointment.

Appointments unattended without notice will be considered No-Shows.

If you have three no-show appointments in a six-month period, you will be placed on alternative scheduling for future appointments and will only be seen as a “walk-in” to the clinics, depending on schedule availability.

After you attend three consecutive walk-in appointments, you will be able to return to the normal scheduling process.

I do hereby acknowledge that I have read and fully understand the Cancellation and Missed Appointment Policy of Connect + Wellness. I understand that my failure to adhere to the rules of this policy will result in walk-in only scheduling.
