Your Stories, Our Pride

Every event we host is unique, and so are the memories created. Here's what our clients are sharing about their moments with us.

Dear Elisa,
We cannot thank you enough for everything you did to make our wedding day absolutely perfect. **From start to finish, your expertise, organization, and care were truly invaluable.** Your attention to detail and ability to keep everything running smoothly allowed us to fully enjoy every moment without any worries. We are so grateful for the countless hours and effort you put into making our vision come to life—it was truly more than we could have imagined.

We've received so many compliments from our family and friends about how beautifully everything was executed, and that is all thanks to you. Your dedication and passion for what you do really shine through.

You went above and beyond with Parker and I but also with my parents. We all so much appreciated your willingness to meet with us multiple times outside of the normal visits you all offer!

Please know how much we appreciate you and all that you did to make our day unforgettable. We will happily recommend you to anyone in need of a wedding coordinator—you're truly amazing!

With heartfelt thanks

Claudia & Parker Davies

Biani,

We cannot thank you enough for making our wedding day so magical and special for us, our family, and our friends.

Everything was absolutely perfect and we couldn't have imagined it going any better.

The flowers were EXACTLY what I had shared with you on my vision board. The flowers at the altar on the beach were absolutely stunning and even better and bigger than I had pictured they would be. **The table settings and all of the details were perfect.**

The day of last-minute changes we asked for, you accommodated us without any questions and eased our stress and anxiety.

I saw a dolphin jumping out of the water when we were standing at the altar on the beach - it truly was such a memorial moment.

The food and service were exceptional, and our signature drinks were delicious.

It was the best week of our lives and you truly made our day one that we will never forget.

I'm tearing up as I write this remembering just how incredible it was.

Thank you for everything.

Ren & Jenn

Brenda,

Thank you very, very much for your hard work to make our big day run so smoothly! It was a pleasure meeting you. We couldn't be more pleased with how the day went. Once we reached the resort everything just went so smoothly and perfectly! We appreciate your guidance and attentiveness.

Please share that we thought the guitarist, the DJ, and the bar tenders were just top notch!!

Please send them our regards for their amazing work.

Katrina & Ian
