

# **HOLLIN HALL VILLAGE CITIZENS ASSOCIATION**

February 20, 2024

Dear Neighbors,

Happy belated New Year! I hope you had a great 2023 and that your 2024 will be even better.

In 2023, HHVCA continued to focus on keeping Hollin Hall Village a great place to live. We worked with State and County officials to improve safety on our streets. We continued to engage with County officials to minimize construction disruption and include park-like features on the oft-delayed Paul Spring Stream Restoration Project in our neighborhood's biggest green space. We began and have seen increasing participation in our invasive weed eradication meet-ups. We also returned to community outings with a very successful National Night Out celebration in August. This year we are looking to continue these efforts as well as to expand our social media presence and increase the frequency of in-person meet-ups where the entire neighborhood can come together in friendship and community-building. And last, but not least, we'll continue working to protect HHV interests.

The success of these efforts depends on neighbor participation. HHVCA Board/Committee positions remain unfilled and without folks to lead, community-developed areas of interest remain unaddressed. On ever present issues of public safety, education, zoning, transportation, and the environment, neighborhood involvement is necessary. These topics touch each of us almost every day. Without your participation, we face possible inaction on an issue; a lack of standing with elected and government officials; and a diminished sense of community. A thriving community requires everyone to take a seat at the table.

HHVCA dues will remain \$10 a year per household. Your contribution allows us to publish the newsletter; maintain our website; maintain common areas; participate in Mount Vernon and Fairfax County-level forums; and sponsor community-wide events. The more members we have, the more we can do for the community, so please join us.

Activate a HHVCA membership by completing the dues form (on the reverse) and mailing it back in the attached envelope. You can also use the *PayPal* link on the HHVCA webpage (hhvca.org). If using *PayPal*, please include your mailing address, too. And either way you choose, please don't forget to volunteer for a committee or a Board position.

One final housekeeping note. We use HHVCA's email account to keep you informed on current events/issues of note between newsletters. If you use PayPal, we'll have your email address. If you send in the attached form, please include your email address. You can also give us your email address through the HHVCA webpage under "Contact Us". We **DO NOT SHARE** your info with others.
