

RANDY STRANG BEST BALL MATCH

PLAY RULES

HANDICAP

Players' indexes on Wednesday morning, May 21st will lock in, allowing a maximum of 3 shots for the event's duration. There is no downside limitation for handicaps.

*Example: Your index is 10 on May 21st and increases by 5 shots to 15, the maximum your index can go up to for the **match play** is 13.*

If your index is a 10 on May 21st and it drops by 5 shots, you will play from a 5 index, but your handicap can still increase to a maximum of 13 during the event.

SHOTS WHERE THEY LIE

No handicap adjustments for matches. Each player takes their net scores on their handicap holes for the round.

Example: Player A is a 10 handicap and Player B is a 2 handicap. Player B will take his net score on the handicap 1 and 2 holes.

TEES

Teams can choose their tees for the match. We recommend the Black/Blue combo.

WHO TO SET UP THE MATCH

The team positioned at the **top of the bracket is responsible for contacting the team at the bottom to arrange the match within a reasonable timeframe. If the match is not scheduled in due time, the executive committee will decide the outcome based on the evidence presented by both teams.**

MATCH WINNER

The winners of each match should contact Sieg (250-788-5551) or inform pro shop personnel of the result as soon as possible.

TOURNAMENT LOCAL RULE

Due to the course not being setup as per tournament conditions each week, for example marked GUR areas in the fairways etc., the following **TOURNAMENT LOCAL RULES** apply.

1. When in YOUR FAIRWAY of play ONLY and your ball comes to rest in a heat-stressed area or a patch where you and your opponents can clearly identify an unreasonable lie, relief may be granted.
2. Divots are EXCLUDED from the local rule and must be played as it lies.

IN THE EVENT OF A TIE

If your match is tied after regulation play, you will proceed to a sudden death playoff, starting on your first hole of play for the day, until a winner has been determined. If the match is tied after 18 holes of sudden death playoff, a new 18-hole match must be scheduled.
