Greetings from The Danforth

Please see the “*Structured Indoor/Outdoor Visitation Policy*” on our website

During this virus period, it is important for our Danforth family to be active, stimulated, and supported each day. Our focus is on health and safety. Presently, social distancing is crucial to our health. At The Danforth, that does not mean isolation.

We still practice infection control procedures as we remain **COVID free**.

The safety of our residents and staff members always comes first.

Teresa and Kelly are committed each day in activities with The Danforth family they love. Although our family is often safely in their rooms, Teresa and Kelly interact one-on-one with our clan to keep them engaged.

Following, you will glimpse some of our monthly activities. Please remember, if you have questions or suggestions, call us and let us know.

From all of us at The Danforth, be safe, take care, God Bless
