A Friendly Reminder

With the holidays quickly approaching, we want to inform our friends and families of a change to the visitation schedule. Visits will continue to be scheduled on Wednesdays, Thursdays, and Saturdays except for two exceptions. The third week of December, visits will be scheduled on Monday, Dec 13 and Thursday, Dec 16. The week of Christmas, visits will be scheduled on Wednesday, Dec 22 and Thursday, Dec 23. As always, families are welcome to take their loved one home for a visit. Please call ahead and we will have your loved one ready.

As always, our primary focus is on the health and safety of both our residents and our staff members. We continue to practice strict infection control procedures.

The Activity Department will continue to engage our residents in daily fun and stimulating holiday themed activities on a one-to-one basis or in a group setting...social distancing permitting!

Please call with any questions and remember that suggestions are always welcome.
