Greetings from The Danforth

Please See the New “**Structured Indoor/Outdoor Visitation Policy**” on our website!

During this virus period, it is important for our Danforth family to be active, stimulated, and supported each day. Our focus is on health and safety. Presently, social distancing is crucial to our health.

But at The Danforth, that does **not** mean isolation.

We continue to monitor staff with weekly COVID testing and practice infection control procedures as we **remain COVID free**. We place the safety of all residents and staff first.

Teresa and Kelly are committed to engaging each day in activities with The Danforth family they love. Although our family is often safely in their rooms, Teresa and Kelly interact one-on-one with our clan to keep them engaged.

Following, you will find a few of our monthly activities. Please remember, if you have questions or suggestions, call and let us know.

From all of us at The Danforth, be safe, take care, God Bless
