Our primary focus is on the health and safety of both our residents and our staff members. We continue to practice strict infection control procedures.

As always, families are welcome to take their loved one's home for a visit. Please call ahead of time and we will have your loved one ready. Masks are located by our main entrance and must be worn by all visitors entering our facility.

Lunch is served at 11:30 a.m. and 12:15 p.m. Supper is served at 4:30 p.m. and 5:30 p.m. If you are unsure of when your loved ones scheduled mealtime is, please feel free to call and ask. This may help you to plan a more relaxing uninterrupted visit.

If you have any concerns regarding your loved ones, please email or call your family member's Case Manager to schedule a designated time to discuss your questions or concerns.

We would like to thank all of our friends and families that donated gifts for our resident gift exchange. The holiday party was enjoyed by all!

Happy Valentine's Day!

If you are depositing cash into your loved ones Personal Needs Account, smaller bills are helpful!
