Greetings from The Danforth.

These “interesting” times are going on and on.

During this virus period, it is important for our Danforth family to be active, stimulated, and supported each day. Our focus is on health and safety.

Presently, social distancing is crucial to our health.

At The Danforth, that does not mean isolation.

Teresa and Kelly are committed each day to include and foster activities with The Danforth family they love. Although our family is often safely in their rooms, Teresa and Kelly do one-on-one interaction to engage our clan.

Following, you will find a few of the activities we do. Please remember, if you have questions or suggestions, please call us, and let us know.

From all of us at The Danforth, be safe, take care, God Bless.
