

Vision

A world where all people have access to relationships and sexuality education and support.

Mission

To empower people with disability through education and support so that they can make their own decisions about relationships and sexuality.

Values

Empowerment - Everyone has the right to make their own choices about their bodies and relationships, and should be supported in doing so.

Inclusivity - All people deserve access to comprehensive and respectful relationships and sexuality education and support.

Advocacy - Promoting equal rights and opportunities for people with disability in the realm of relationships and sexuality education and support.

Fun - Learning about relationships and sexuality should be engaging, enjoyable, and empowering for all.
