

Covid-19 Hygeine Update

We will continue trading until we are advised to do otherwise.

Here at Pinnacle we have always been focused on providing a safe environment when on site all while maintaining a high degree of customer service and high quality workmanship standards.

Moving forward we will be ramping up our already high hygiene standards by implementing the following precautions when on site:

Social Distancing

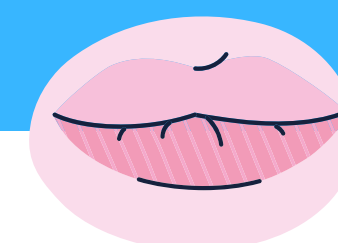

- Ensuring we adhere to social distancing; keeping 1- 1.5m distance wherever possible & maintaining a 2x2m distance when in an enclosed space.
- Avoiding shaking hands or any form of physical contact with clients, suppliers & other trades.
- We also request clients limit their interaction and maintain their distance with us when on site.

Take Everyday Preventative Action

- Regularly washing hands with the use of antibacterial hand wash and access to hand sanitiser provided to all of our trades to use throughout the day when on site.
- Access to the use of gloves/masks if deemed necessary.
- Accepting payment via card or direct transfer only, to avoid handling cash.
- Ensuring our tools are kept clean by wiping them down regularly with a disinfectant cloth/wipe and at the end of the day.
- Staying home if feeling unwell and expressing the need to reschedule with our customers.

Staying In Touch

- Staying informed about the local outbreak situation and every changing social distancing laws and recommendations.
- Australian Government Department of Health Covid-19 Publication here: https://www.health.gov.au/sites/default/files/documents/2020/03/coronavirus-covid-19-information-on-social-distancing_0.pdf

Should you have any queries or concerns about our hygeine practices please do not hesitate to contact us on 0404 130 259 or admin@pinnacle-carpentry.com.au
