OBJECTIVE

EAGER TO CONTRIBUTE TO INNOVATIVE PROJECTS, GAIN VALUABLE INDUSTRY EXPERIENCE, AND FURTHER DEVELOP EXPERTISE IN PHYSICS AND ENGINEERING WHILE MAKING MEANINGFUL CONTRIBUTIONS TO THE ORGANIZATION. SEEKING A CHALLENGING AND DYNAMIC INTERNSHIP OPPORTUNITY IN THE FIELD OF PHYSICS ENGINEERING, LEVERAGING THEORETICAL KNOWLEDGE AND PRACTICAL SKILLS ACQUIRED THROUGH COURSEWORK AND HANDS-ON PROJECTS AT OGLETHORPE UNIVERSITY.

EDUCATION

OGLETHORPE UNIVERSITY, College of Engineering **Brookhaven, Georgia**
Bachelor of Science in Physics 08/2022 to 05/2025
GPA: 3.09

- Presidential Scholar

GEORGIA INSTITUTE OF TECHNOLOGY, College of Engineering **Atlanta, Georgia**
Bachelor of Science in Mechanical Engineering (Projected)

NAFTrack Certification **Atlanta, Georgia**
School of Engineering 06/2020 to 08/2022

- Led Leadership Development, Engineering, and Robotic Simulation projects in collaboration with a diverse team of students.

PROFESSIONAL EXPERIENCE

OGLETHORPE UNIVERSITY, Men's Golf Team **Atlanta, Georgia**
NCAA Division III Men's Golf Team 08/2022 to Present

- 2023,2024 SAA Conference Champion
- Dedicated an average of 30 hours per week to training, meetings, travel, and competitions while successfully managing a full course load
- Cultivated a robust work ethic, adept time management skills, and unwavering determination to achieve both team and personal objectives

OGLETHORPE UNIVERSITY, Sports Information Department **Brookhaven, Georgia**
Social Media Content Creator 08/2023 to Present

- Create engaging and visually appealing content for 'GoPetrels' social media platforms.

GJ GARDNER HOMES USA **Naples, Florida**
Construction Engineering Intern 06/2024 to 08/2024

- This past summer, I helped the team at GJ Gardner Homes by assisting in planning and improving production processes, testing and evaluating homes, and applying what I've learned in school to real-world projects.

THE GLITTER FOUNDATION **Naples, Florida**
Intern 08/2021 to 08/2022

- My internship provided me with valuable insights into the effective operation and management of a non-profit organization

GJ GARDNER HOMES **Naples, Florida**
Construction Management Intern 08/2021 to 08/2022

- This experience allowed me to immerse myself in various aspects of the construction process and project management

LAGSHOT GOLF **Naples, Florida**
Prototype Engineering Intern 06/2022 to 08/2022

- I gained hands-on experience in optimizing production operations and implementing efficient manufacturing practices to enhance productivity and product quality.

STANTEC **Naples, Florida**
Civil Engineering Intern 06/2021 to 08/2021

- I had the unique opportunity to work within a dynamic and innovative engineering team, specializing in water infrastructure and environmental solutions.

LEADERSHIP

OGLETHORPE UNIVERSITY

Brookhaven, Georgia

Social Chairman/ Sigma Alpha Epsilon

08/2022 to Present

- Orchestrate events, such as a clothing drive which resulted in the donation of dozens of essential goods to those in need.

Inter-Fraternity Council Representative / Sigma Alpha Epsilon

08/2022 to Present

- Enhance the Greek life experience at Oglethorpe University and coordinate school wide events and rush activities.
Collaborate with campus undergraduate clubs to host social gatherings aimed at fostering camaraderie and building a sense of community among students.

Vice-President / Oglethorpe 6th Man

08/2022 to Present

- Established a club dedicated to boosting student engagement in university sporting events. Strategically secured approval from the Athletic Department to orchestrate compelling initiatives including pep rally's, theme nights, giveaways, and fan challenges, enhancing the overall experience for attendees.

Presidential Student Advisory Council / Student Government Association

08/2023 to Present

- Collaborated with Oglethorpe University's President and Council to enhance student housing, on-campus activities, and commuter inclusion initiatives.
