# HOW WILLAMETTE DENTAL GROUP IS DIFFERENT

## SIMPLE, RELIABLE INSURANCE

We believe dental insurance should be simple so we've eliminated the guessing game. We blend preventive dental care with broad insurance coverage, making it affordable, with no annual maximum\* or deductibles and predictable out of pocket costs.

## COMMITTED TO YOUR ORAL HEALTH

Healthy teeth should last a lifetime and proper care doesn't always mean invasive treatments. We practice evidence-based dentistry to end the disease-repair cycle by focusing on prevention.

By partnering with you, we make sure you have the knowledge you need to practice healthy habits and we don't recommend any unnecessary treatments.

\*If covered by your plan, dental implant surgery, TMJ treatment, and orthognathic surgery are subject to benefit maximums.

We make it easy for you to learn about all of our offices and providers with easy to access profiles on our website, complete with unfiltered star ratings and comments from real patients.

None of our general dentists are compensated by the number of high priced procedures they perform. Instead, they are rewarded by improving your oral health, educating you on home care, making timely appointments available, and doing their best to make you happy with your experience.
