

MINISTRY SITE PROFILE

# Lord of Life Lutheran Church

North Pole, AK

Completed:

**Evangelical Lutheran Church in America**  
God's work. Our hands.

*The Ministry Site Profile (MSP) is intended for use by congregations and church-related organizations that are seeking to call a rostered minister of the Evangelical Lutheran Church in America, or a First Call candidate for rostered ministry. Congregations must complete the entire MSP. Church-related organizations may, with the concurrence of the synod bishop, complete only the required sections (Part I, III and IV). Once complete, this form is submitted electronically to your synod bishop for review and posting to the "Current Openings" listing on the ELCA website ([www.ELCA.org/call](http://www.ELCA.org/call)).*

## Summary Description

Lord of Life Lutheran Church is nestled on acreage amongst birch trees. Members attend worship in jeans, coffee mug in hand. Services alternate between traditional and contemporary, and children and youth participate. The congregation is a mix of second and third generation families and newcomers, many from military installations. We offer a solid core of willing volunteers. Needed: A gifted preacher and teacher to help us discern our vision for the future and expand our ministry in the community.

**Trends in the Community Context of the Congregation or Organization**

**Characteristics:**

Write a description of your community in terms of socio-economic status, demographics, primary areas of employment and lifestyle. The Demographic ZIP Code report for your primary ZIP codes may be helpful.

Our church rests upon spacious grounds within the city of North Pole, a town in interior Alaska where it is said “The Spirit of Christmas lives all year around.” North Pole has a population of 2,243 hardy souls and lies along the historic Richardson Highway between Fairbanks (pop 32,000)/Ft Wainwright Army Post (pop 12,000) and Eielson Air Force Base (pop 6,620). The median age in North Pole is 28. The median annual income is \$81,000 per household and 26% of those over age 25 have a bachelor’s degree or higher. 59% of households are married couples and the average family size is 3.29. Many who work in Fairbanks, 15 miles away, or the two nearby military installations choose to live in the North Pole area. 23,000 people live within the North Pole zip code. This area consists of mostly single-family homes built on wooded lots of 1 acre or more interspersed among larger tracts of undeveloped natural land. The region's economy is bolstered by the active-duty military, civilian and contractor jobs provided by the two military bases. Alaskan Natives are a notable part of the population. With many natural and historic attractions nearby, the tourism industry is also an important sector of employment as are the mining and petroleum industry. Fairbanks is a hub of varied services for the interior of Alaska and the arctic which requires skills in logistics, transportation, repair, health care, education and management. The University of Alaska-Fairbanks is a public land-grant research university offering 190 different degree and certificate programs. The community run, modern 152 bed Fairbanks Memorial Hospital provides healthcare in 27 specialties.

The North Pole area could be described as an island of civilization surrounded by a sea of wilderness. Outdoor recreation is pursued year-round. Organized competitions run the gamut from fun runs to grueling ultra-distance wilderness races. Fishing, camping, boating, hiking, biking and ATV riding are popular in warmer months. Winter brings plenty of snow and thick ice for snow-machining, ice fishing, skiing and dog-sledding, often underneath a blazing display of northern lights. All of these recreational opportunities exist within and just outside the city of North Pole.

### Trends:

List three changes or trends within the congregation or organization which have occurred in the last three to five years.

**Our pastor and her family took a call back to their home state of Minnesota after having served with us for 12 years. Many of the congregation's children and grandchildren were confirmed under her guidance. During such a long tenure the church developed a closeness and comfort of routine that revolved around the minister. We are fortunate to have a gifted Interim Pastor currently serving the congregation.**

**The SARS-Cov-2 pandemic placed our in-person worship on hold for over a year. The church was able to upgrade our technical capability to live stream Sunday service and maintain a continuity of worship until in-person congregation was advisable. We have resumed traditional service but also continue the live stream to serve those off-site.**

**Recent property upgrades include a major roof upgrade; the installation of a new septic system; upgraded high-speed internet access; three flat screen TVs, high-speed presentation and live-streaming computers, and live-stream camera and streaming equipment.**

### Context:

List three ways the community in which you are located has been challenged by change and transition in the last three to five years.

- 1) A significant increase in the personnel assigned to nearby Eielson Air Force Base has led to a relative shortage of housing in the community. Local leaders have sought creative ways to ease this shortage. However, the increase in population has been a blessing in many ways. New businesses have come to the area and more are on the way, replacing those shuttered in the early days of the pandemic. A new residential housing development - long needed in the community - is due to break ground in North Pole any day.**
- 2) State and local government has had to tighten budgets due to less revenue from low oil prices and pandemic affected economy. The outlook has improved in terms of oil revenue and tourism but inflation, high energy prices and commercial air travel shortage could lessen this rebound.**
- 3) When the danger of COVID-19 became apparent, the community responded with mass vaccination clinics and other public health measures. Entities with administrative expertise were given the responsibility of distributing relief funds. The local hospital and medical community quickly adopted protective procedures. Government, civic and medical leaders coordinated actions to anticipate problems and preserve medical capability. The health of many individuals, organizations and businesses remains profoundly affected by the pandemic but our community's response to the challenge has given us a strong basis for recovery.**

### Programs:

Describe your congregation's or organization's current programs for mission and ministry.

- 1) Food box distribution site for Fairbanks Community Food Bank. Weekly the office manager coordinates requests with the food bank and compiles a list of approved names then the food bank sends the truck to our location and church volunteers unload the truck and match the identity of recipients present with name on the list then load food boxes into their vehicle.**
- 2) Lunch Boxes for Students at local schools. Church volunteers purchase food and pack into "lunch" sacks for food insecure students to eat over the weekend.**
- 3) Kuwaa Mission. Church members meet in the basement and sew washable sanitation pads for girls in a village in Liberia so that they can attend school throughout the month.**
- 4) Free firewood. We maintain a supply of firewood that we offer to those referred to us by Helping Alaska (formerly Love Inc.).**
- 5) 17 Mile Homemakers. A group involving both church members and non-members that apply their considerable talents to community service projects. Hosted in our church basement.**
- 6) Alcoholics Anonymous. - A spiritual-based organization that supports individuals suffering with alcoholism and other substance use disorders. Hosted in church basement. Twice weekly meetings.**
- 7) The Farthest North Girl Scout Council Local Troop 249. A youth organization that empowers members to become compassionate leaders and live to their fullest potential.**
- 8) TOPS Taking Off Pounds Sensibly. An organization devoted to helping people maintain a healthy weight in a sustainable fashion avoiding fads and gimmicks. Weighs-ins conducted twice a week. Two different groups meet at the church.**
- 9) Adult Bible Study. Meets on Mondays in the fellowship hall at Lord of Life. Led by our pastor, the group explores the Bible verses that are the basis for the sermon the following Sunday. Thoughtful questions and lively discussion are propelled by curious members and pastor's experiential insights and Biblical scholarship. Scripture is prayerfully digested for spiritual nourishment. An evening Bible Study also meets monthly.**

### Goals:

What are the primary goals of your ministry site (please refer to any Strategic Plan that has been adopted).

- 1) Call a Pastor to Lord of Life Lutheran Church**
- 2) Implement all ages Sunday School**
- 3) Congregational/Community Events Quarterly. Like picnics/barbecues.**
- 4) Purchase and Install an Electronic Sign facing high traffic Richardson Highway.**

**Energy:**

What is your congregation or organization really excited about right now?

- 1) Calling a full-time pastor.**
- 2) Expanding and strengthening our youth and Sunday School programs.**
- 3) Reaching out to the community so that they may discover the good news, joy and fellowship through Lord of Life Lutheran Church.**
- 4) Developing an outdoor adventure ministry.**
- 5) Potlucks and food events in general.**

**Partnership:**

How does this congregation or organization see itself as a member and active participant in the Evangelical Lutheran Church in America and the synod?

- 1) For many members of the congregation, belonging to a Lutheran Church is a continuation of an important legacy that goes back generations.**
- 2) The congregation sends members to the Alaska Synod annual meeting.**
- 3) The congregation looks to the ELCA as an oversight authority providing sound Biblical based doctrine and qualified clergy.**
- 4) The congregation relies on the ELCA and Synod for assistance in the call process and also as a model for church administration. The congregation is informed and strengthened by the network of communication with other church bodies and believers that is maintained by the Synod and ELCA.**

**Purpose, Giftedness and Mission**

**Purpose**

How does this congregation or organization understand its reason for being in the light of God's call to mission and service? Who are you? Why are you here?

We are a group of people brought together by the Holy Spirit and believe in the teachings of Jesus Christ as our Lord and Savior. Together, we support each other in the study and understanding of the Bible and reverently offer weekly communion. We exist to guide, encourage and strengthen our members in following a Christian life, to be a source of Christian teachings to any that would hear, to assist those in need, and to serve our members and community with love and compassion. We seek to be guided by our mission statement: God's word moves us to make connections by welcoming all, strengthening and serving the healthy and hurting.

**Giftedness**

What are your gifts and resources for fulfilling this purpose? What are the congregation's or organization's top three assets and how are they being used? Are there obstacles that must be overcome to be able to use these gifts and accomplish the mission?

- 1) Our church building is able to comfortably host worship services, office space for staff and separate rooms for meetings and events. We have a large, well equipped kitchen. We have ample outdoor space in a pleasant natural setting with a fire ring, picnic tables and long log benches hewn by hand.
- 2) Our members give generously of their time, talent and finances. Collectively we bring a broad range experience from areas like business, education, food production and engineering to name a few. we have a heart for service and enjoy helping others.
- 3) Thanks to the generosity of our membership we are blessed with a facility that is paid for. Our location is well positioned to attract worshipers due to it's central location within the surrounding population. Our church grounds are quiet and private yet our sign is visible to motorists who pass nearby daily.
- 4) Like many churches, a significant drop in in-person attendance has been a concern since the pandemic began. We have become far more comfortable with technology such as live streaming and YouTube uploads, which allows us to reach more people. On occasion, we have had more online viewers than in-person.

**Mission**

In light of the way you have described your ministry context in this Ministry Site Profile, what are the top three mission priorities which, if accomplished, hold the most promise for the continued development of this ministry?

- 1) Attract a full-time Pastor
- 2) Reach out to the surrounding population and offer a worship and membership experience that appeals to all ages and families.
- 3) Continue to serve and support our current membership and community involvement.

## **PART IV: COMMENTARY**

You are encouraged to offer information or commentary that will help the reader appreciate the vision, opportunities, challenges and nature of your ministry site. Use this opportunity to creatively promote and commend your ministry possibilities.

**Our mission statement: God's Word moves us to make connections by welcoming all, strengthening and serving the healthy and hurting. We keep this statement in mind whenever we review the various service and/or community projects engaged in at Lord of Life.**

**The pandemic forced us to reconsider how we reach out to our congregation and the community at large. As a result, extensive changes were made. We began live-streaming weekly services, which were then uploaded to our website for later viewing. We met outside on the lawn for worship all summer long, instead of just once or twice over the summer, with radio broadcast. These changes have all been received positively, they allow us to reach a far wider audience, and we expect them to be permanent. Covid-19 did have a silver lining!**

**We consider North Pole to be a hidden gem in the North Star Borough. It is our hope that our new pastor will appreciate the beauty of our small community, will help advance our mission, and will help lead us into a bright future.**

## **PART V: COMPLETION OF PROFILE**

### **Discernment Process and Adoption**

Please describe the process used to gather information, formulate responses, and officially adopt this Ministry Site Profile. (Approximately 100 words maximum).

**Council solicited volunteers to serve on the team. Step 1 was to prepare posters; congregation members chose their top 3 qualities for a pastor. Step 2: A survey was created and distributed via hard copy, email, and website. Multiple meetings were then held to assign tasks and collate results. One team member did extensive demographic research. Using information from the poster and surveys, the MSP was drafted. The draft went to Church Council for any revisions and then was emailed to the congregation and posted on the church website for feedback. A special congregational meeting was held to vote on the final version.**
