

Referral From Niagara Health Emergency Department

Patient Sticker

Contact Person: _____ Phone Number: _____

Clinical History and reason for consultation:

Referring physician: _____ Billing Number: _____

Signature: _____ Date: _____

To ED Clerk:

- **Please fax this form and the face sheet to Fax number (289) 235-7451.**
- **Please give the attached information sheet to the family. They will be contacted by the clinic for an appointment.**
- **They should follow up with the clinic if there are any issues and return to the ED if things get worse.**

TO PARENTS AND PATIENTS

Your doctor has made an outpatient referral for you to the independent pediatric clinic of Drs. Asim, Kaur & Munawar. They offer pediatric consultations but not ongoing pediatric primary care. While the office will contact you, we recommend you call the office in 2-3 business days if you do not hear from them.

The clinic is situated at 60 Main St. E., Grimsby, ON.

Please bring all medications, relevant medical information, and growth charts if available.

If you think you are getting worse before your appointment, please return to the Emergency Department for reassessment. Ensure you have discussed this and any other questions you have with the ER doctor or Nurse before leaving the ED.

Your family doctor is the best way to access medical care and is central to your overall healthcare. If you do not have a family doctor, we strongly advise getting one. You can find help at www.niagaradocs.ca or by calling Healthcare Connect Ontario at 1-800-445- 1822. You can also call 211 during business hours for information from the Niagara Region about support, including getting a family doctor.
