(B) Eligibility

This warranty applies to:

- **Products branded as Aeromist or sold directly via Aeromist**

Eligible Parties:

- Authorized **Aeromist dealers**
- **End consumers** who purchased:
 - Directly from Aeromist, or
 - Through a verifiable Aeromist dealer or installer

! **Note:** This warranty is non-transferable. It is valid only for the original purchaser and becomes void if the product is resold or transferred.

! **Note:** Aeromist does not recognize or honor any third-party warranties purchased through Aeromist dealers, installers, or other resellers.

2. Customer Responsibilities

To maintain warranty coverage, customers must:

- Provide **proof of purchase** (receipt/invoice from Aeromist or authorized dealer/installer)
- Follow **proper installation and usage instructions**
- Conduct **annual maintenance**, including:
 - **Oil change** for the pump (required for 3-year coverage to remain valid)
 - Use only Aeromist-approved replacement parts
 - **Winterize the system** when subject to freezing temperatures

3. What is Not Covered

The following are **excluded** from warranty coverage:

- Damage resulting from:
 - Dropping, misuse, abuse, or neglect

- Freezing temperatures or **failure to winterize the system**
- Use of non-approved parts or accessories
- Improper installation or modification
- Normal wear and tear
- Labor or service fees not performed by Aeromist or its authorized service partners
- Transport/shipping to Aeromist for warranty review or repair
- Third party warranties provided by Aeromist dealers, installers, or other third-party resellers

4. Service Requirement for 3-Year Coverage

To maintain the **3-year warranty** on the **pump motor, head, and solenoid**, the following condition must be met:

- **Annual oil changes** must be performed.
 - Proof of service may be requested (e.g., dated service receipt or maintenance log).
 - Failure to provide evidence of regular service may **void the extended coverage** beyond 1 year.
