> Volunteer and Foster

Volunteers are always welcome at the rescue to help and snuggle with the bunnies. The greatest need is for foster families to host our adoptable bunnies until they can find loving homes so we can help more bunnies in the region. Please contact us if you would like to help a bunny in need.

> Donations

Almost all our expenses go towards medical expenses and food. We accept PayPal donations through our website and gift cards for stores like Chewy, pet stores, and grocery stores are always helpful. Direct donations are always appreciated.

> ABOUT US

The Rabbit Tree began in 2019 when Kellie rescued four bunnies from a terrible situation which quickly expanded to over 20 bunnies due to all the babies!

Since 2020, the rescue has been a 501(c)3 Non-Profit and we have taking in bunnies and working to find them safe, loving homes where they have the lives they deserve and so much more.

We hope that every bunny finds a wonderful home with people they can call their own, especially some of our longer residents and couples. Bonded pairs can be so much fun; they love to snuggle and play with each other, so they are very self-entertaining! Every bunny services everyone with a smile, how about you?
