RUBY

Rescued: October 2024

Location: Fostered in Shakespeare

Medical Status:

Spayed • Vaccinated • Microchipped

Tripod (left rear leg amputated)

Special needs: paralysis & incontinence

Background: Ruby came into care in October 2024 alongside her mom, Opal, and two siblings. From the start, Ruby faced challenges — she dragged her left hind leg, causing repeated abrasions. With time and testing, it became clear she had sustained a spinal injury at birth or shortly after, resulting in paralysis. She has no sensation in her tail or privates and requires regular bladder and bowel expression. And yet... Ruby never let any of that stop her. She raced through her foster home just like any other kitten — curious, determined, and full of life. Due to ongoing infections, her left hind leg was ultimately amputated, and once again Ruby adapted beautifully. Her foster mom learned alongside her, advocating fiercely every step of the way. Today, Ruby is thriving and living her very best life.

Personality & Traits: Tripawd — and absolutely wonderful Strong-willed, confident, and bursting with personality Loves pom-pom balls most of all, plus springs and track balls Does well with cats and dogs Forms a deep bond with her human, as she depends on them more than most

Special Care Needs: •Requires regular bladder and bowel expression •Mobility-adapted but active and playful •Thrives with routine, patience, and committed caregivers Ideal Home: •A compassionate, dedicated family open to special-needs care •Someone who understands that Ruby gives back tenfold what she requires •A home where she will be cherished not despite her differences, but because of them

Ruby
FEMALE DOB - SEPTEMBER 3, 2024

She is truly one of a kind and is searching for a very special family willing to walk beside her for life. Ruby doesn't need saving — she needs believing in. And loving.

TIA

Meet Tia

Fostered in Shakespeare

Approx. DOB: October 2019

Spayed, vaccinated & microchipped

Tia has been in our care since December 2022, when she arrived with her single kitten. While her kitten has long since moved on, Tia has been quietly taking her time — learning to feel safe, building trust, and showing us the loving cat she truly is. Tia may be shy at first, especially with hands reaching toward her, but once you gently move past that initial hesitation... her little “purr machine” turns on instantly.

She leans in, enjoys every moment, and yes — she’ll even drool in pure contentment

About Tia • A quiet “wallflower” — social, curious, and likes to be near her people • Loves being talked to (it gets the purrs going!) • Playful when she feels safe — especially when she thinks no one is watching • Enjoys lounging in sunny spots or on warm heat registers • Independent but affectionate on her terms • Has lived with cats and dogs, but prefers companions who respect her space • Low-key “queen of the house” energy

Tia
FEMALE BORN ~OCTOBER, 2019

- GENTLE, SHY GIRL WHO BLOSSOMS WITH PATIENCE
- PURRING (AND DROOLING!)
- LOVEBUG ONCE COMFORTABLE
- QUIET COMPANION - LOVES BEING NEAR HER PEOPLE
- INDEPENDENT, WITH AFFECTION ON HER TERMS
- SUN-LOVING LOUNGE QUEEN 👑

If you believe in growing a bond built on trust, patience, and unconditional love — Tia may be your perfect match

Tia's Perfect Match: Tia is looking for a calm, patient, and confident home — someone who understands that love doesn't always come instantly, but is so worth the effort. She truly craves affection and connection, she just needs someone willing to gently reach past her initial nerves to help her continue building confidence. Tia isn't the kind of cat who will demand attention... but she is the kind who will quietly steal your heart once you take the time to understand her

About Me: My journey started when an RTC Rescue volunteer spotted me beside a “free kitten” sign near Sebringville. Thankfully, I made my way into rescue where I could safely begin the next chapter of my life — finding a forever family that will love me forever. I’m a fearless little guy with a huge personality packed into one fluffy white body. I approach life at full speed, always ready to investigate, chase, climb, or pounce on something exciting. I love staying busy and making people laugh with my nonstop antics. Once I’ve burned off my kitten energy, I’m more than happy to settle in for snuggles and recharge beside my humans.

He’s highly playful and thrives on activity, toys, and interactive fun that keeps his busy mind engaged.
