OPAL

Meet Opal – A True Survivor with a Heart of Gold

DOB: May 12, 2023 Location: RTC Rescue

Opal's story is one of courage, strength, and endless love. This beautiful girl came into our care in October 2024 from Lisbon, desperately ill, while caring for her kittens. She was diagnosed with FIP—a disease once considered a death sentence. But Opal is no ordinary cat. She fought with persistent determination and graduated from FIP Nation in May 2025—a true testament to her resilience and will to live.

Now healed and full of life, Opal is ready to find the forever home she so deeply deserves. Sweet, funny, and endlessly affectionate, she's a chatty little purr machine who still has that playful kitten energy. She adores her humans and will follow you from room to room just to be near you. Loves her treats, bird-watching, spring toys—and curling up for a cozy cuddle.

She gets along with other cats easily and is likely to do great with dogs too—after all, all of her adopted kittens live happily with them! Opal is spayed, vaccinated, and microchipped—now all she needs is a family to love her as much as she'll love them.

Come meet the cat who overcame the odds—and is now ready to bring light and laughter to your life.

DIXIE

Meet Dixie – A Sweet Girl Ready to Bloom

Dixie came into our care in August of last year, a devoted mama to six tiny kittens, rescued from a rural property in St. George. She was cautious at first, focused on keeping her babies safe, but over time, this soft-spoken sweetheart has blossomed into a charming, curious, and affectionate little lady. Born around September 19, 2022, Dixie is now spayed, vaccinated, and microchipped—and ready for her next chapter: a forever home filled with love, patience, and maybe even a feline friend.

Dixie is a quiet queen who's still working on building her confidence, but her gentle personality is already shining through. She has the cutest little meow and will quietly approach you when she's ready for pets (and politely let you know when she's done). She's a laser toy enthusiast, a sunbeam seeker, and she loves cozying up in a cat tree perch to observe the world around her. She's experimenting with cuddles, loves a good lick treat, and will do the most adorable dance when it's mealtime in and around your feet. With time and a calm environment, she continues to open up more each day.

Her foster mom thinks she is the most funny little girl, and it's great to watch her get more and more comfortable every day. Dixie would thrive in a home with another friendly cat to help show her the ropes and offer companionship.

# MARBLE

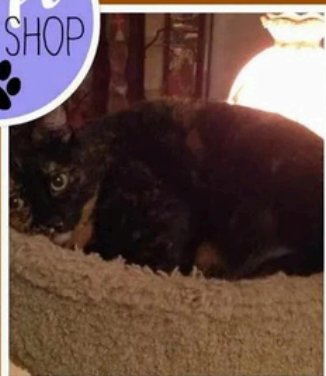

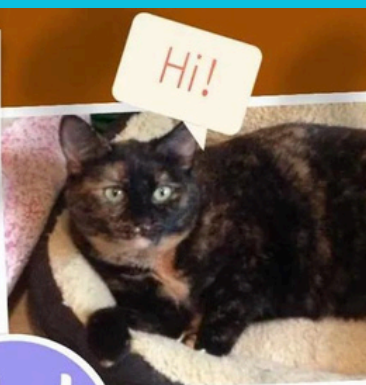

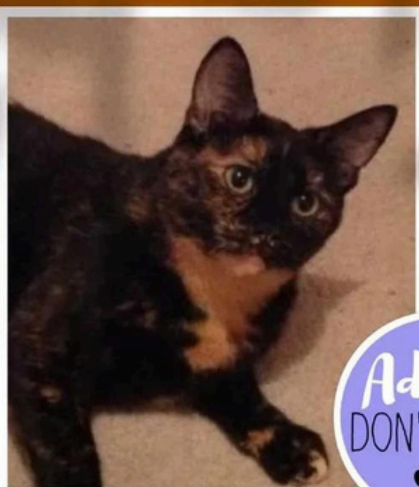

Marble is a very loving and affectionate girl who loves to be petted and is fine with being held. She can be a bit of a talker and quite persistent when she wants attention or her moist food.

Marble was rescued from outdoors in the country when she was pregnant. It was noticed that she has a rotating back hip when she walks and therefore it was decided that an xray was in order to see whether she had been previously injured or born this way. It turns out that both of her back legs had been previously broken in several places and had healed on their own but not properly. It is not known what happened to her to create these serious injuries. The vet couldn't believe that she could actually walk looking at the xrays however she walks quite well in spite of these injuries. She can't jump very high however she is able to go up and down stairs.

It has been decided to put her on a monthly injection of Solensia which is an anti-inflammatory to control pain for osteoarthritis. Marble will require this injection to be given by a vet for life and the cost is \$70.00 and up monthly depending on the vet.

In spite of her injuries Marble enjoys some play time. She likes chasing a laser light for a brief period or jumping at it, interacting with a wand toy or you may find her just laying in her cat tunnel. Marble loves her cat bed and that is likely where you'll find her napping every afternoon. Watching the birds and squirrels from the window is another of her favourite pastimes. She has not had any exposure to dogs.

Marble is a bit shy at first with new people therefore she would do best with a single adopter or a quiet couple. She would love to be an only pet as she is not fond of other cats and she would then be able to receive all the love and attention for herself that she craves.

**Marble**

**FEMALE ~2 YRS**

- BEAUTIFUL TORTIE
- LOVES TO BE PET
- WOULD LOVE TO BE THE ONLY KITTY FOR ALL THE LOVE
- ENJOYS WATCHING BIRDS AND SQUIRRELS
- SO DESERVING OF HER OWN HOME ❤️

PERSEPHONE

## THE GENTLE SOUL

Meet Persephone (Percey) – the Gentle Soul Looking for Her Forever Home!

Percey was found as a stray in Wellesley with her four kittens, and she's been the most amazing mama.

Now that her little ones are grown, it's finally her turn to retire from motherhood and enjoy a life filled with love and comfort.

Born around June 2024, this beautiful tabby girl is independent, quiet, and oh-so-loving. She enjoys the company of humans and other cats and does wonderfully with calm dogs and respectful kids. Percey isn't a rough-and-tumble type – she prefers soft touches and a peaceful vibe.

She'll never scratch or bite in play, and you might find her gently rubbing against your leg or curling up quietly at your feet.

She's the perfect companion for anyone who wants a sweet, low-maintenance friend who will simply enjoy being near you.

Percey is spayed, vaccinated, and microchipped – ready to begin her new chapter! Could this gentle girl be the one you've been waiting for?
