OPAL

Meet Opal – A True Survivor with a Heart of Gold

DOB: May 12, 2023 Location: RTC Rescue

Opal's story is one of courage, strength, and endless love. This beautiful girl came into our care in October 2024 from Lisbon, desperately ill, while caring for her kittens. She was diagnosed with FIP—a disease once considered a death sentence. But Opal is no ordinary cat. She fought with persistent determination and graduated from FIP Nation in May 2025—a true testament to her resilience and will to live.

Now healed and full of life, Opal is ready to find the forever home she so deeply deserves. Sweet, funny, and endlessly affectionate, she's a chatty little purr machine who still has that playful kitten energy. She adores her humans and will follow you from room to room just to be near you. Loves her treats, bird-watching, spring toys—and curling up for a cozy cuddle.

She gets along with other cats easily and is likely to do great with dogs too—after all, all of her adopted kittens live happily with them! Opal is spayed, vaccinated, and microchipped—now all she needs is a family to love her as much as she'll love them.

Come meet the cat who overcame the odds—and is now ready to bring light and laughter to your life.

📍 Fostered in Kitchener | 🐾 Female | DOB: April 2022 |
📌 Spayed, Vaccinated, Microchipped | Special Needs

About Marble:

Marble's journey has been one of courage and survival. Rescued pregnant from the country, her past injuries were only discovered later through x-rays: both of her back legs had been broken in several places and healed on their own. Against all odds, Marble not only walks—she thrives! While she can't jump very high, she moves confidently, climbs stairs, and enjoys life's little pleasures.

Skills & Personality:

- ❤️ Affectionate Companion – loves pets, cuddles, and even being held
- 🎵 Chatty Girl – will let you know when it's time for attention (or moist food!)
- 🦋 Playful Spirit – enjoys chasing the laser, wand toys, and lounging in her tunnel
- 🛏️ Routine Lover – naps daily in her cozy cat bed, often followed by birdwatching from the window
- 🐾 Independent but Loving – a little shy at first, but blossoms once she trusts you

Special Notes:

- 💉 Marble has arthritis from her past injuries and receives a monthly Solensia injection (\$70+/month depending on vet) to keep her comfortable and pain-free.
- 🐕 Not tested with dogs.
- 🐾 Would thrive best as an only pet so she can soak up all the love and attention.

Ideal Home:

Marble would do best with a single adopter or quiet couple who can provide her with stability, patience, and lots of affection. She's ready for her second chance—a forever home where she can finally receive the love she always deserved.

DIXIE

Meet Dixie – A Sweet Girl Ready to Bloom

Dixie came into our care in August of last year, a devoted mama to six tiny kittens, rescued from a rural property in St. George. She was cautious at first, focused on keeping her babies safe, but over time, this soft-spoken sweetheart has blossomed into a charming, curious, and affectionate little lady. Born around September 19, 2022, Dixie is now spayed, vaccinated, and microchipped—and ready for her next chapter: a forever home filled with love, patience, and maybe even a feline friend.

Dixie is a quiet queen who's still working on building her confidence, but her gentle personality is already shining through. She has the cutest little meow and will quietly approach you when she's ready for pets (and politely let you know when she's done). She's a laser toy enthusiast, a sunbeam seeker, and she loves cozying up in a cat tree perch to observe the world around her. She's experimenting with cuddles, loves a good lick treat, and will do the most adorable dance when it's mealtime in and around your feet. With time and a calm environment, she continues to open up more each day.

Her foster mom thinks she is the most funny little girl, and it's great to watch her get more and more comfortable every day. Dixie would thrive in a home with another friendly cat to help show her the ropes and offer companionship.
