Artisans, Crafters, & Non-profits

To support local arts the Baker County Chamber of Commerce has lowered the booth fees in a portion of the park to showcase local artists, crafters, and non-profits. If you do festivals, flea markets, and events like this full time or this is a primary source of income you are considered a commercial vendor. If we notice manufactured or mass-produced items, we will ask you to put those items away. If you have violated the honor system and have a portion of your booth in manufactured items, we will charge you the balance owed for a commercial booth.
