BE PREPARED BEFORE YOU COME

Completed contracts with fees and insurance binder must be received by the Baker County Chamber of Commerce **no later than May 1, 2020 for the best price and space selection.** Any amount paid will be refundable with written notice up to and including May 1, 2020 (see #9 "Termination" in Vendor/Exhibitor contract). If your contract has not been received by May 1, 2020, with all fees paid and an insurance binder with the Baker County Chamber of Commerce as additional named insured, your regular space will be reassigned, and any deposit money will be forfeited.

All food vendors must have a temporary Food Handlers License or temporary restaurant license. For licenses and information call the Health Department at **541-473-5186.**

All food booths must have a Class ABC Fire Extinguisher in the booth. And all Booths using hot oil must also have a Purple K Extinguisher for grease and oil. Any vendor found without the required Extinguishers will be shut down by the Fire Department and/or the Baker County Chamber of Commerce. Vendors must protect the lawn under the fryer/cooker from damage.

Product Limitations:

Fireworks of any description are prohibited. Similarly, T-shirts or other items with pictures or sayings that are sexually oriented, alcohol or drug abuse related are considered inappropriate for Miners' Jubilee and are prohibited. The Jubilee Coordinator and/or Baker County Chamber of Commerce has sole discretion to determine if an item proposed for sale or display is inappropriate. Items that are requested to be pulled off display will NOT be sold during Miners' Jubilee. Failure to comply with these requirements will be cause for removal from show and possible expulsion from future events.

INSURANCE:

Vendor agrees to provide a certificate of insurance for not less than \$500,000.00 combined single limit bodily injury and property damage. * Vendor selling or distributing a consumable food product must have no less than \$500,000.00 combined single limit products liability coverage. The Vendor shall be named insured on the policy and the insurance policy will name "Baker County Unlimited, its affiliates, subsidiaries, officers, directors, agents and employees" as additional insured thereon. Vendor agrees to provide the Baker County Chamber of Commerce with written proof of such insurance as a **precondition** to using the premises referred to herein. * **This contract shall not be in force until compliance with insurance requirements has been met. No exceptions.**

Please note:

To support local arts the Baker County Chamber of Commerce has lowered the booth fees in a portion of the park to encourage local artists and craftspeople to bring their handmade items for sale. If you do festival, flea markets, and events like this full time/semi full time and this is a primary source of income you are a commercial vendor. If you are a local (Baker, Union or Wallowa County) artist and are participating as a supplemental income with your hand made work, you are welcome to be in the park. If we see manufactured, kit made or mass-produced items we will ask you to put those items away. **If you have violated the honor system** and have a significant portion of your booth in manufactured items, we collect from you the balance owed for a commercial booth.

WAYS TO MAKE YOUR JUBILEE EXPERIENCE A GOOD ONE:

PLAN AHEAD

Get your application, including photo and insurance in by May 1 for best chance at your first-choice spot. Make lodging reservations early, since hotel, motel and RV parks fill up early for Jubilee weekend. Think about coming early for Hells Canyon Motorcycle Rally July 9-13 in Baker City and staying through Jubilee. For more information on HCMR, contact hellscanyonrally@gmail.com.

KEEP UPDATED

If you have questions before you arrive, please contact the Jubilee Coordinator at 541-523-5855, or info@visitbaker.com. Stay abreast of event schedules and other Miners' Jubilee information at www.minersjubilee.com.

PREPARE FOR CONTINGENCIES

Mid-July weather is hard to predict. Be prepared for hot, cool or thunderstorm conditions if they arise. Be sure to bring the appropriate fire extinguisher, garbage can and copy of your approved application with booth assignment and proof of insurance.

MAINTAIN AN ATTRACTIVE BOOTH

Attract customers with a friendly service, a welcoming booth and well-kept area. Consider a drawing for a free item to encourage traffic to your booth and to capture the names and email addresses of prospective customers for follow-up marketing. "Take one" or free samples also entice Jubilee customers to visit your booth.

PROMOTE

Each vendor will be included on the website listing, and on a map and listing of park activities in the Miners' Jubilee section published by the Baker County Chamber of Commerce on July 1 and distributed at the Jubilee information booth. You can advertise on the website or in this section with your menu, product offering or demonstration schedule by contacting the Baker County Chamber of Commerce and Visitor Bureau at 541-523-5855. Be sure to bring business cards or brochures with your name, email, website and contact information for customers.

SHOW HOW IT'S DONE

Schedule some time for demonstrations of your work for the public to stop and watch. Demonstrations are a fantastic way to sell more work, encourage others to become involved and make the park more festive. Email your demonstration schedule to the Baker County Chamber of Commerce before June 15, 2020 to be included in promotional materials. (info@visitbaker.com) When using social media to promote your booth, be sure to use #minersjubilee so we can share to our social media.

HAVE FUN

Jubilee is a time of reunions, when families and classmates gather and former residents come back to visit old friends. Part of their Jubilee enjoyment comes from the goods they can browse in the park, so they are looking forward to meeting you. Have fun and remember that we're glad to have you here.

Complaints, Questions, or Concerns:

Please direct any complaints to your Jubilee Coordinator at the information booth, or contact the Baker County Chamber of Commerce at 541-523-5855 or info@visitbaker.com. Security and safety issues should be called to our attention immediately.
