

Life Insurance Needs Calculation & Quote Request

This worksheet will help estimate how much life insurance coverage you may need. Please answer the following questions as accurately as possible.

1. What is your annual income?

2. How many years would you like to replace your income for your family?

3. Do you have any outstanding debts (e.g., mortgage, car loans, credit cards)? Please list the total amount.

4. How much would you like to set aside for your children's education?

5. How much would your family need for final expenses (e.g., funeral, burial)?

6. Do you currently have any life insurance? If yes, list the coverage amount.

7. What savings or investments do you currently have that could be used in case of your death?

8. Do you have any other financial goals or obligations you'd like this coverage to address?
