SUMMARY

Recent graduate with a knack for adding just the right "punch" to video projects. Creatively inclined, adept in Adobe Premiere Pro, looking for a role where I can bring my editing skills and sense of humor to the table.

EDUCATION

COLORADO COLLEGE

Bachelor of Arts in English: Film Track

GPA: 3.87 - Magna Cum Laude

Dean's List Recipient

Colorado Springs, CO

May 2023

2020 – 2023

PRODUCTION EXPERIENCE

FILM PARAPROFESSIONAL, *Colorado College*, Colorado Springs, CO

August. 2023 – Present

- Instruct college students on the advanced techniques of filmmaking, including camera work and Adobe Premiere.
- Oversee grant proposals and official requests for funding of film projects from students and professors.
- Program film screenings for student's final projects, culminating in a large, end of the year production.

POST-PRODUCTION ASSISTANT *Thin Air Cinematics*, Colorado Springs, CO

Feb. 2023 – Aug. 2023

- Managed cue sheets for film projects produced by Don Bowie detailing the identification of archival footage.
- Collaborated directly with editors and producers to acquire sources of footage and composed music for the film.
- Organized end credits sequences for the final film on Google Sheets and other organizational applications.

DIRECTOR - THE BEN I AM, *Colorado College*, Colorado Springs, CO

Aug. 2021 – Sep. 2021

- Handled the scheduling of 16 professional interviews over the course of three days using Google Calendar Systems, Excel, and Google Sheets to achieve an organized and consistent shoot.
- Produced a professional looking short film through Adobe Premier and other post production softwares.
- Awarded Best Student Film in the Black Bear Film Festival.

FILM INSTRUCTOR, *Binning Family Foundation*, Littleton, CO

June 2018 – Aug. 2021

- Assisted in various aspects of film production including production, direction, cinematography and writing.
- Promoted hands on experience with various film equipment and editing softwares, to develop filmmaking techniques and sharing them through educative opportunities.
- Instructed high school students with techniques on Sony Cameras and editing softwares such as Final Cut Pro X.

ADDITIONAL EXPERIENCE

STAND-UP COMEDY DIRECTOR, *Colorado College*, Colorado Springs, CO

Aug. 2020 – Aug. 2023

- Educates college students on how to perform and write stand up comedy through weekly event meetings.
- Advertises stand up comedy events through Photoshop and Social Media to promote attendance.
- Communicates and schedules stand-up performances for both myself and my students to create a successful show.

STORYTELLER, *Collaborative For Community Engagement*, Colorado Springs, CO

Sep. 2019 – March 2020

- Reported on events held on Colorado College with a focus on community development in Colorado Springs.
- Assisted in the organization of scholarship programs to highlight students involved in important work.
- Promoted positivity and consistency through community strength to a commitment to diversity and equity.
