

# **PRO Spill Recovery & Excavation Services LLC**

24/7 Emergency Spill Response • Excavation • Environmental Remediation

***24/7 Emergency Dispatch: 877-319-3776***

## **Company Overview**

PRO Spill Recovery & Excavation Services LLC is a dedicated emergency spill response and environmental remediation company serving Central Indiana. We provide rapid response deployment for transportation-related incidents, industrial releases, and environmental protection scenarios.

## Vision Statement

*To be the most trusted and responsive environmental spill recovery team in Central Indiana — known for showing up when it matters most, restoring what's been damaged, and setting a new standard for professionalism, precision, and preparedness in every operation we lead.*

## Mission Statement

*At PRO Spill Recovery & Excavation Services LLC, our mission is to act fast, lead with integrity, and restore with purpose. We specialize in emergency spill response, site remediation, and excavation services that protect communities, roads, and natural resources. Backed by hands-on experience and regulatory expertise, we bring control to chaos — 24 hours a day, 7 days a week.*

***We don't just clean it up — we clean it up right.***
