January 2018

Dear Community Supporter,

At Painted Rock Elementary, school days bring lots of activity and excitement to the families in our community. While school still includes reading, writing, and arithmetic, state budget cuts limit the educational experience to the basics. As a result, **our Foundation (PRESF) relies on organizations like yours to help fill the gaps left open by the school district.**

We need your support to make this year's fundraisers a success, bringing hands-on science, enhanced reading and math instruction, technology, and music back to school.

Will your organization...

- Donate goods and/or services to our Auction? We hold both an online auction (3/2-3/16/18) and a live auction event (3/17/18).
 - Our supporters will be featured on our online auction platform, Foundation website, and in printed materials.
- Be a named sponsor for our Live Auction Event on 3/17/18?
 - Levels: \$2,000, \$1,000, \$500
 - Sponsors will be featured online and in printed materials, including on event invitations, programs, and signage. *We will work with sponsors to find other points of connection for your organization.*

Our community loves to support the organizations that support us. We look forward to celebrating your generosity!

Thank you for considering how you can help make the Painted Rock experience exceptional for every child. *PRESF is a 501(c)(3) non-profit organization (#33-0402501), so your donation is tax-deductible.* If you choose to donate, we request that all donations be received by February 1, 2018. If you'd like to become a sponsor, please contact Maripat Lawrence today at 619-921-4294.
