

Water Fest Shoalhaven 2026

Water Fest Shoalhaven 2026 is a new Festival based on the Health and Wellbeing benefits of Water through eco- and joy we all get from water in The event will become an inaugural event will be held on:

therapy, aqua therapy sustainable ways. annual event; the

- Saturday, 18th April 2026 at Nowra.
- Family Fun water activities in the park, demonstrating sustainability and well-being by creatively demonstrating elements such as water features and water sculptures, lights and flowing water can add to visual and auditory experiences and enhance well-being like a sensory garden. There will be art and craft, gardening and water feature workshops to get creative, carnival rides and soft soothing music to enjoy the evening by our water and light garden. The event

will be promoted via all types of media and will run on Saturday 18th April 2026 from 3pm till 9.00 pm

- We are expecting circa 2,500+ people from local residents and visitors presenting a great opportunity for partners and sponsors on the day offering excellent exposure to your business.

- Water Fest Shoalhaven 2026 is a Community Event and initiative of Water Fest Shoalhaven Inc. a not-for-profit group working to enhance liveability and community well-being in the Shoalhaven through community lead projects.

Money raised will enable Water Fest Shoalhaven Inc to fund community lead projects in partnership with sponsors, community and business partners.
