

Miller Bags Protection for you and your Family !

Benefits

- Ideal for healthcare, commercial linen services, & hospitality employees: change out of uniform/work clothes at workplace – put used work clothes in laundry bag & take home
- Smaller convenient size for work clothes: 14” x 20” laundry bag
- Put directly into washing machines to prevent direct contact
- Use warm water grade bags for home use. Dissolve at different hot water wash cycle without leaving any residue on the laundry
