

Resident Spotlight

"I am a widow to a Retired Military Staff Sergeant. We shared 39 years together and from that union we had 2 children: Tiffany, a Manager at Capital One, and Brittany, a Licensed Clinical Social Worker at the Richmond VA Medical Center. I also have 3 beautiful grandchildren; ages 4, 10 and 12. My favorite pastime is attending services at my home church of Mt. Olivet Baptist Church in Montpelier, VA. There, I serve the Lord as a member of the usher board and I also sing in the choir. I am also currently studying and working toward becoming a Deaconess. In my younger years, my husband and I traveled the world as a part of his military service. Through this, I was afforded the opportunity to live in Germany, Hawaii, California, Kentucky and Georgia. I have lived at The Barrington for the past 3-and-a-half years and I have found this experience to be quite pleasant. Here at The Barrington, I hold the following positions: Member of the Welcome Committee, Secretary of the Residents' Association, Chairperson for the Clinical Services Committee and Chairperson for the Nomination Committee. I am honored to be the Spotlight Resident of the Month."

Exploring the Art of Making Quilts

We will be making our own quilts while exploring storytelling as a tool.

We will then display our quilts within our RUI Community.

Don't forgot the "Family Touchpoint Meeting" the last Tuesday of November, the 25th, at 4:00pm, in the RUIU Room, IL second floor.
