Good evening Tuttle Estates Residents,

We were scheduled to have our annual meeting this week on Thursday. Due to the COVID-19 virus, our meeting location - The Plainfield Public Library, has advised us that they will be reducing hours. In anticipation of this, we are postponing our annual meeting. We have received no new candidate forms for the Board positions. All Board spots up for re-election are running unopposed, and will be considered "re-elected".

The Board will not be raising dues at the annual meeting. We are continuing to invest in our landscaping program as mentioned in the update sent out in December 2019.

The one new business topic the Board will need to discuss is Solar Panels and installation guidelines and maintenance requirements. We have reached out to several resources to assist us in addressing this topic. We will be posting information on this later this Spring. If any residents have specific questions or concerns, please email the Board of Directors at tuttleestateshomeowners@hotmail.com. Do not reply to this email or social media post. To ensure proper communication/process we must receive questions via our email listed above.

Thank you for your patience and understanding

Scott J. Mueller
President,
Tuttle Estates Community Association (TECA)
