

Tuttle Estates Community Assoc. December 2020

Season Greetings,

The Board of Directors would like to wish everyone a wonderful holiday season. We wanted to provide an end of note for a quick update.

Halloween a Success

We would like to thank everyone for helping to make our Halloween a success. Being able to be outside, see the smiles on faces (under the masks) and to have something we could all share was wonderful. A great trick or treating day!

New Tuttle Website

Have you seen the new website? It has great information. Check it out at tuttleestates.com

Holiday Lights

Thank you to everyone who has holiday lights up for the holidays. It shows great community spirit and brings joy to all as we all work towards a new normal. The front entry looks great and is possible in part to our new electrical at the entrance.

Don't be late on Association Dues Payment

Your Board has worked very hard to hold our expenses in check, and as a result, are NOT increasing dues for the 10th+ year. Please have your payment in on time. If you are late there is a 50-dollar late fee (the postmark determines the date).
