February 2024

Spring is almost here...

Enclosed is your ballot for the upcoming TECA Elections. We have our annual meeting in March (see below). Also, in March is the TECA Easter Egg Hunt. Rumor has it that the Easter Bunny will make an appearance. And last, with Spring almost here, please see the note on the back of things that we need to do or review.

Thank you,
Scott Mueller
TECA Board President

Hop On Over – The Easter Egg Hunt Is On!

Tuttle Estates Easter Egg Hunt

Questions? Or want to help?

Zip Kelli an email at Kmdigilio26@gmail.com

Your Ballot for TECA Elections Is in This Packet

Our annual meeting for Tuttle Estates Community Association is scheduled for March 13th at 7 pm. The location will be the Plainfield Public Library. We invite you to attend and participate. If you have any questions please feel free to send us an email at tuttleestateshomeowners@hotmail.com

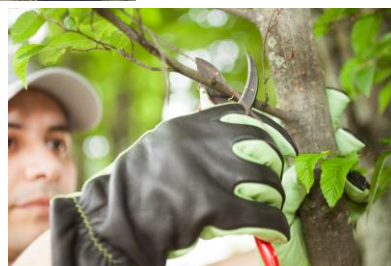

Resident Spring 2024 Checklist

Fence Maintenance and Repair – There are several fences in the community that are in need of repair. Weather, animals, and age all take a toll on fences. Please take a look at your fence and see if any repairs are needed.

Mailbox Repair –With the snow and plows, a few mailboxes need to be reset or replaced. If your mailbox has been impacted, please make the necessary repairs. Please note that having a mailbox in a 5-gallon pail is not acceptable, and is in violation of the Rules/Regulations of the Association.

Tree Branch Trimming – Sidewalks In several areas, we have tree branches (parkway and/or yard) blocking the sidewalk(s). We need to have these pruned. Please take a minute to check out your sidewalk area. Seven-foot clearance is ideal on the sidewalk. Please complete this if needed prior to April 10th.

Project Butterfly - Several residents have asked about planting flowers and flowering shrubs that attract butterflies. The Growing Place has a large variety of both annuals and perennials that attract butterflies. As we await Spring, please think about where a plant could go in your yard that attracts butterflies.

Spring /Summer Association Project Electrical Maintenance – 127th Street

As part of our ongoing community maintenance, we will work on the electrical service at the front entrance off 127th Street.

The current system is original, and this past season we have noticed some of the GFI outlets and circuits, wiring are in need of replacement.

We will start on this project in May/June. If you have any questions, please send us an email at tuttleestateshomeowners@hotmail.comcommunity
