Highland White (semi-custom)

Shipping Time:	3-4 Weeks	Center Style:	Center stile on cabinets over 36"
Style:	Recessed Panel	Assembly Method:	Ships Pre-Assembled - Nail & Glue
Face Frame:	1-1/2" Solid Hardwood dadoed to receive cabinet box	Finish:	Sherwin Williams finish/paint, cabinet interior also has a UV finish to help protect against moisture
Door Frame:	Solid Birch	Toe Kick:	1/2" Plywood - Unfinished, Requires TK96 to finish toe kick area
Door Center:	MDF	Installation Rail:	1/2" Plywood
Sides:	1/2" Plywood sides dadoed to receive tops, bottoms and backs	CARB Compliant:	Yes
Top & Bottom (Wall):	1/2" Plywood	Door Hinges:	Please use drop down options for each cabinet to change hinging from right to left.
Bottom (Base):	1/2" Plywood	Toe Kicks Included w/Base Cabinets:	No - Toe kick area on cabinets is unfinished so TK96 must be ordered for all cabinets.
Back Panel:	1/2" Plywood backs dadoed to receive tops and bottoms	Installation/Design Note:	Can install against a wall with a 90 degree operational door as long as wall is plumb. If not 100% certain it's plumb, a narrow filler can be used (up to 1-1/2" is a good amount of space to leave). Cabinet specs are subject to change without notice. *Cabinet measurements are typically converted from metric to inches and manufacturers will commonly round up to the nearest 1/4 inch. This can cause a measurement to be off by a fraction of an inch (less than 1/4") which is within normal industry standards*
Shelves:	3/4" Veneered, Edgebanded, Adjustable Shelves		
Base Cabinet Shelf Depth:	15-3/4"		
Drawer Front:	5-pc Recessed Panel		
Drawer Box:	5/8" Solid Hardwood Dovetailed Drawer Box, 1/4" Plywood Bottom

Hinges:	Concealed 6-way adjustable with Soft Closing Feature		

Kingsport Java (semi- custom)

Shipping Time:	3-4 Weeks	Hinges:	Soft Close, 6-Way Adjustable, Concealed, Opens 110°
Style:	Raised Panel	Cabinet Interior:	Natural finish
Face Frame:	1-1/2" Solid Hardwood dadoed to receive cabinet box	Center Stile:	Center stile on cabinets over 36"
Door Frame:	Solid Birch	Assembly Method:	Ships Pre-Assembled - Nail & Glue
Door Center:	MDF w/veneered center	Finish:	Sherwin Williams finish/paint, cabinet interior also has a UV finish to help protect against moisture
Sides:	1/2" Plywood sides dadoed to receive tops, bottoms and backs	Toe Kick:	1/2" Plywood - Unfinished, Requires TK96 to finish toe kick area
Top & Bottom (Wall):	1/2" Plywood	Installation Rail:	1/2" Plywood
Bottom (Base):	1/2" Plywood	CARB Compliant:	Yes
Back Panel:	1/2" Plywood backs dadoed to receive tops and bottoms	Door Hinges:	Please use drop down options for each cabinet to change hinging from right to left.
Shelves:	3/4" Veneered, Edgebanded, Adjustable Shelves	Toe Kicks Included w/Base Cabinets:	No - Toe kick area on cabinets is unfinished so TK96 must be ordered for all cabinets.
Base Cabinet Shelf Depth:	15-3/4"	Side Panels Finished:	Yes
Drawer Front:	5-pc Recessed Panel	Installation/Design Note:	Can install against a wall with a 90 degree operational door as long as wall is plumb. If not 100% certain it's plumb, a narrow filler can be used (up to 1-1/2" is a good amount of space to leave). Cabinet specs are subject to change without notice. *Cabinet measurements are typically converted from metric to inches and manufacturers will commonly round up to the nearest 1/4 inch. This can cause a measurement to be off by a fraction of an inch (less than 1/4") which is within normal industry standards*
Drawer Box:	5/8" Solid Hardwood Dovetailed Drawer Box, 1/4" Plywood Bottom		
Drawer Glides:	Undermount, Soft Close, Full Extension Glides, 100 lbs capacity per drawer		
Base Corner Supports:	I-beam Construction		
Overlay:	Full
