Dear Ms. Huddleston,

I am writing on behalf of the Iowa State Education Association Political Action Committee (ISEA-PAC) representing education professionals across the state. I am pleased to inform you the ISEA-PAC has taken action to recommend support of your campaign for the 2020 Election Cycle.

Traditionally the ISEA-PAC provides financial support for House Candidates via the Iowa House Truman Fund. While we intend to continue this practice, the ISEA-PAC will actively monitor all races over the next several months for consideration of additional resources. Additionally, we look forward to continuing to work with you, your caucus leaders, and the Iowa Democratic Party on your way to victory this November.

As a recommended candidate, ISEA will communicate with our membership this fall about our support of your candidacy. We will also include your recommendation in our fall publications. You are also eligible to receive an electronic data file of ISEA members in your legislative district. Enclosed please find instructions on obtaining the data file. The ISEA logo is proprietary so we ask that you do not use it in your campaign materials. Should you have questions, please contact Melissa Peterson or Morgan Miller at mpeterson@isea.org or mmiller@isea.org.

For your convenience I am providing you with a quotation that you or your campaign can use in a press release.

"On behalf of the Iowa State Education Association (ISEA) representing education professionals across the state, we are pleased to recommend Sara Huddleston for the Iowa House," said ISEA President Mike Beranek. "We believe Sara Huddleston will do what is best for all of Iowa's students regardless of the ZIP code in which they live and be a voice for education professionals as important decisions are made that impact our students and our public schools."

The Iowa State Education Association (ISEA) believes effective public schools require strong community support involving education professionals, parents, students, and elected officials.
Thank you for your continued commitment to quality public schools and public education professionals!

Sincerely,

Mike Beranek
